Brewer and Bonne to Build Road between Houlton and Woodstock.

WOODSTOCK, May 26.—In the program of road building that is being inaugurated by the State of Maine the contract for three and a quarter miles of road from the boundary line to Houlton, that is between Woodstock and Houlton, has been awarded to Brewer and Bonne at a price of \$60,000. The work will be commenced at once.

Mr. Brewer, who was formerly of the firm of Powers and Brewer, with his present associate, Mr. Bonne, has already secured \$200,000 contracts in the State of Maine this summer.

To Construct Boulevard.

It is also announced that the piece of road between Woodstock and the boundary will be reconstructed according to the plans of the Public Works Department of New Brunswick, making 12 miles which will be one of the main entrances to Canada from the United States almost a boulevard as it is understood that Premier Veniot intends carrying out this work as thoroughly as possible.

Blind Fish Are Found To Have Three Hearts

A blind fish with three hearts which abounds in Monterey Bay, Cal., is described in the current issue of the Scientific American. It is known as the "hagfish" and has a sense of smell which is controlled by some unknown kind of chemical guidance which has baffled science so far. It is a parasitic creature and so voracious that it has seriously interfered with net fishing in the bay.

The hagfish has a regular heart and special heart in the usual place. The third heart is the tail and is like wise a pump supplied with valves.

CARD PARTY

There were 69 tables of cards at the Stella Maris church and party last night in aid of the church funds and everybody thoroughly enjoyed the evening. The prizes were won as follows: Ladies, first, Miss Agnes Calman, and second, Miss Catherine Costello; men, first, James Boyle, and second, William L. Walsh.

DOG LOSES EYE

Yesterday afternoon at 3:45 o'clock an automobile while traveling along Prince Edward street collided with a Boston terrier dog that ran in front of the car. The automobile was not damaged but the unfortunate dog had one of its eyes gouged out.

HER FACE WAS COVERED WITH PIMPLES

SHE GOT RID OF THEM BY USING BURDOCK BLOOD BITTERS

Miss T. Hunter, R.R. No. 8, London, Ont., writes:—"I wish to recommend Burdock Blood Bitters to all women who are suffering from pimples or any other facial blemishes. About two years ago I was greatly troubled with pimples and sores breaking out on my face, and could get no relief until, finally, a friend recommended me to take B.B.B. This I did, and I am now glad to say that your remedy has given me the desirable results, and I now have a nice smooth, clear skin, as it has eliminated all the impurities from my blood."

Get B.B.B. when you ask for it; it has been on the market for the past 46 years; put up only by The T. Milburn Co., Limited, Toronto, Ont.

START THIS TREATMENT NOW!

There's nothing like Tanlac to purify the blood, put the stomach and liver in working order and build up a run-down body. If you are nervous, suffer from indigestion, have rheumatism, torpid liver, constant pain, don't delay taking Tanlac another precious day. Millions of men and women have been benefited by this great tonic and builder that is compounded after the famous Tanlac formula from roots, barks and herbs.

Acadia Seminary Holds Class Day

Wolfville, N. S., May 25.—The annual class day exercises of the graduating class of Acadia Ladies' Seminary were held in University Hall this afternoon. After the entrance march the class president, Miss Lena Price, gave an address of welcome.

The roll call, reading of the minutes, election of officers and other routine business were run through, after which a short programme was given.

This year the program took the form of a paper in three parts which were read charmingly by the Misses Mary Pearson and Alexandra McLean. A duet by Misses Mary Brady and Doris Laird and a piano solo by Miss Margaret Barnaby were the musical numbers on the program.

Miss Evelyn Hatfield gave the class valedictory and following a presentation and announcements by Dr. De Wolfe, the class of 1925 marched out of their last class meeting at Acadia.

Automobile Business Near Saturation Point

CHICAGO, May 25.—Automobilists and other users of gasoline will consume 10,235,000,000 gallons in the United States in 1925, according to DeWitt Foster, economist of the American Research Foundation. In 1924, 7,780,625,000 gallons were used.

"It is apparent," said Foster, that the automobile business has approached the condition of stabilization with 16,000,000 cars on the roads of the United States in 1925. Stabilization is a word apparently much preferred to "saturation" but it means nearly the same thing in this application. Replacement, amounting to about 2,250,000 cars a year, will be the backbone of the industry. Normal growth of approximately 1-3 per cent. a year will come from new business."

YOUR grandparents relied on ENO

Years before the C.P.R. spanned Canada, ENO's "Fruit Salt" had found its way across the continent. As years have sped, its sterling merits have become more and more widely acknowledged. Now there is not a corner of the civilized world where the morning "dash" of ENO is not part and parcel of life as it should be lived.

ENO excels because it is the one simple, pleasant and, above all, natural way to ensure internal cleanliness. You never wish you hadn't taken ENO, as perhaps you have wished with other laxatives. It doesn't do good to-day to leave you worse to-morrow.

It excels, too, because of its purity, its unchanging high quality, its freedom from purgative mineral salts and sugar and flavouring matter.

The rule of our grandparents—ENO's "Fruit Salt" first thing every morning—is as sound to-day as ever it was.
