Inside Bolshevik
Lines Worse Than the
Reign of Terror

Archangel, Oct. 22.—(Correspondence of The Associated Press.)—The fast bleeding to death through a reign of terror which is worse than that of the French Revolution, and it is time the nations of the world knew that the Bolsheviks are the world's greatest evil. President Nicholas Tchaikovsky of the Provisional Government of the Associated Press today.

"It is no longer a question of politics," he continued, "inside the Bolshevik lines the situation is worse than the French reign of terror. Victims executed now must be counted by the tens of thousands. All hair-splitting political reasons aside, the world must know that the Bolsheviks are no longer even a party, but are now merely a group of men determined to hold what they have seized by the merciless slaughter of those who oppose them."

"It is now only the question of putting down an evil. Persons escaping from Moscow, Petrograd and Volodarsk and reaching here bring indisputable stories of the executions. The situation seems beyond the control of some Bolshevik leaders who themselves are reeking at the bloodshed."

President Tchaikovsky said he recently cabled to President Wilson urging the immediate dispatch of more troops.

"Nothing can bring Russia out of this."

HER FIVE CHILDREN Had Whooping Cough At the Same Time.

Whooping cough is one of the most dangerous diseases of children, especially to those under five years of age. It starts with a fever and cough, sneezing, watering of the eyes and an irritation of the throat. Later the coughing increases, the child becomes livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought by the "whoop."

On the first sign of whooping cough we would advise the use of Dr. Wood's Norway Pine Syrup. This famous remedy will clear the bronchial tubes of the collected mucus and phlegm, and in this way ease the racking cough and a short time make it disappear entirely.

Mrs. Walter McGaughey, North Balford, Sask., writes: "I have five children, the eldest thirteen and the baby two years old. They all had the whooping cough at the same time. I tried two or three cough remedies, but none gave the same satisfaction as Dr. Wood's Norway Pine Syrup. A home where there are young children should never be without it. I will highly recommend it to those who want a quick cure."

There are many imitations of Dr. Wood's Norway Pine Syrup, so be sure you get the genuine by insisting that the package is put in a yellow wrapper, three pine trees the trade mark; price 50c and 50c, and manufactured by The T. Milburn Co., Limited, Toronto, Ont.

chaos until the Bolshevik terror has been quashed by the force of arms," said Tchaikovsky. "The force now here is unable to do this quickly. Meanwhile hundreds are dying daily."

"The world must understand that Bolshevism, like imperialism, is a foe to democracy. It is in Russia a mere dictatorship, a group of men holding sway by force of arms. They seize every straw, falsifying logic to justify themselves. As an example they now declare that the proposed league of nations is only another scheme to give power to the bourgeoisie against the working men."

"Perhaps the world will naturally ask what Russia is doing to help herself," said Tchaikovsky, "and I can only answer that we are doing our best. A recent example is the reorganization of the government of the North. Now every party and every class is represented. Forgetting politics they are turning their efforts toward putting down the Bolshevik evil. We are mobilizing our forces but the Allies must help."

President Tchaikovsky is a Socialist.

U-BOAT SANK ON WAY TO SURRENDER

Harwich, Nov. 22.—Most of the submarines which surrendered today were commanded by sub-lieutenants. One of them said that his senior officer did not come because he had been mentioned in the British press as a marked man.

One U-boat sank while on the way to Harwich as a result of rough weather.

Millie—Poor Mr. Jones was unable to meet his creditors, I hear.

"Oh, no; that's quite wrong! His difficulty was to dodge 'em."

TWO TONS OF PEACH PITS.

When the call came for peach pits and shells for gas masks it found the good people of Kosh on the job. Just as an evidence of what a real peach country can do, despite the fact that there wasn't a peach raised this year, the Red Cross shipped out of Kosh one day this week over two tons of peach pits, and there are more to follow.—West Plains (Mo.) Journal.

It must not be assumed that a man is dead because he has passed to the great, silent majority. He may merely have married.

MILBURN'S LAXA-LIVER PILLS

Act as a stimulant to the sluggish liver, clear the furred tongue, sweeten the foul, obnoxious breath, and clear away all the poisonous accumulations from the system by causing the bowels to move regularly and naturally every day, thus preventing as well as curing constipation, sick headaches, biliousness, head aches, water brash, heartburn, and all diseases arising from a lazy, slow or torpid liver.

They are purely vegetable, small and easy to take, and there is nothing of the gripping, weakening and sickening effects of the old-fashioned purgatives.

Mrs. John Kadey, Chipman, N. B., writes: "I have been using Milburn's Laxa-Liver Pills for some time and can recommend them to anyone suffering from heartburn and liver trouble. I tried other remedies, but they only relieved me for a short time. I always recommend Laxa-Liver Pills to all sufferers, as I think they are a valuable remedy."

When you go to your dealer and ask for Laxa-Liver Pills, see that you get the genuine "Milburn's". Price 25c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
