

ANNOUNCEMENT  
OF  
SUMMER SESSION, 1892.

All students desirous of attending the Summer Course of Lectures are required to "register" their names, (within one week of the commencement of the session, and pay a fee of \$12.00 (which includes registration), payable strictly in advance. Enrollment and payment of the above fee are compulsory whether one or more classes are attended. Students of other colleges are admitted on the same terms as regular students.

---

MEDICAL DIAGNOSIS.

DR. J. B. McCONNELL.

In this course the various methods of eliciting the physical signs of disease will be taught, the use of the stethoscope, and other mechanical aids. The topography of the chest and normal physical signs will be demonstrated on the living subject. Also the use of Electricity and the Ophthalmoscope in the diagnosis of nervous diseases.

---

GYNÆCOLOGY.

DR. A. L. SMITH.

This course will embrace the Diagnosis and Treatment of Gynecological cases—by Inspection, Bi-manual palpation, the sound, speculum, local applications, preparation and use of tampons, simple and medicated. The use and abuse of Pessaries.

Practical demonstrations will be given in the application of Apostoli's method of using electricity in Gynecology.
