

Your Missionary Fund will also require your especial attention. Every effort in your power will need to be put forward to meet its increasing demand, which this year has only been done by a deduction of ten per cent from the amounts promised to our ministers. Get your Sabbath Schools interested in the work. Hold your anniversaries early, and as you give let the sentiment of your heart be, "blessed Jesus, this will I do for thee." Thus in your church organization Jesus Christ will sway his sceptre, and it will become the permanent abode of Israel's God, peace and harmony will prevail, and God's name will be glorified in the salvation of many souls. O, brethren, ever keep Jesus Christ, found in you the hope of glory, so shall the eternal God be your refuge, while underneath are the everlasting arms. May the peace of God the Father, Son, and Holy Ghost be with you all, Amen.

## ADDRESS

OF THE CANADIAN CONFERENCE TO THE ENGLISH CONFERENCE.

DEAR FATHERS AND BRETHREN:—

We gladly embrace the opportunity afforded us by our Annual Assembly of assuring you of our increasing attachment and noting a few of the leading events in which we are mutually interested.

The distress which has prevailed in your manufacturing districts has awakened our warmest sympathies, and we have not ceased to pray that the tide of prosperity may soon return to your shores.

The fratricidal American war, which has been protracted beyond all expectation, and still continues to deluge that land with blood, wasting her treasures, destroying her energies, and withering her once glowing prospects, is at the same time impairing to an alarming extent the commercial interests of the world.

While we confidently hope that the mature wisdom of British Statesmen, under the guidance of Divine Providence, will preserve the peaceful relations which we sustain to the United States; let us fervently pray that peace may be soon restored on such terms as will secure the liberty of the unhappy slave, who has so long groaned under the yoke of bondage and at the same time conserve the interests of morals, religion and truth.
