The idea of the G as ennment was to destroy the characters of mer honest and standing as high in the estimation of the country as any one in the Administration, fu the first Minister down. If that was to be loo - for as a precedent, it would occur again, and wh is ever the Government desired to stab a man beh his back, it could issue a commission and ruin 1 by a Star Chamber enquiry. [Loud Cheers.]	each of those ills, throughout a patient and long-	pecially if any genuine Viewing it simply as a de mental, but the more ulti
