THE KING'S MESSAGE.

Trusts Peace May Be Followed by Restoration of Prosperity in New Domains.

Lordon, June 2. Peace has been declared after nearly two years and eight months of a war, which severely tried the British army and has wiped out the Boers from the list of nations. The war has come to an end with Lord Kitchener's announcement that Lord Milner and the Boar delegates had signed the terms o' surrender.

official opening, "God Save the King" was sung by all present, and a congratulatory telegram was dispatched to Lord Kitchener. The members of the exchange then marched to the Mansion House and serenaded the Lord Mayor, and afterwards resumed business, but

without much enthusiasm.

Later in the day a levee at St. James's Palace and a cabinet meeting in Downing street attracted immense crowds, who awaited the arrival of the cabinet ministers. The cheers which greeted the poular favorites have not been equalled in many years. Many of the ministers were court dress, having been to the levee, and this added to the attraction of the occasion. Joseph Chamberlain, the colonial secretary, came in for special attention from the masses. The police could not hold them in boundaries and crowds surged around his carriage, hurrahing and shouting congratulations until he escaped within the building.

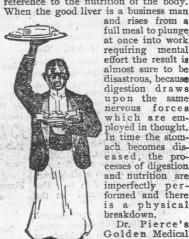

On the adjournment of the cabinet meeting the crowds repaired to Buckingham Palace and St. James's Palace and cheered the King and other notables who attended the levee. Among those were United States Ambassador Joseph Choate and the rest of the embassy.

Telegrams received from all parts of the provinces testify to the extreme joy felt by all classes at the conclusion of the war. A singular fact is that the first news of the conclusion of peace was received at Windsor by telephone from Berlin and Paris.

Opinion is expressed in official quarters here that Commandant Fouche and other Boer leaders in Cape Colony who did not attend the Vereeniging conven-tion will come in of their own accord. It is thought extremely probable that many (Continued on page 3.)
