FORMER MILLIONAIRE SEEKS ADMISSION TO POOR HOUSE

C. J. L. Meyer Refused Assistance by Wealthy Daughters—Has a Son Too Poor to Help Him—Was an Active Politician.

CHICAGO, June 5.—A despatch to the Tribune from Milwaukee says: C. J. L. Meyer, first president of the Chicago and Northwestern Railroad former mayor of Fond Du Lac, at one time business partner of the late Senator Sawyer in the wholesale lumber business, a former millionaire and prominent politician and now a resident of Chicago, yesterday applied to Agent Gustav Frelson, agent for the Associated Charities, for admission to the Milwaukee county poor house. Two daughters, both married to wealthy men, fall to reply to his requests for aid, it is said. As one who lives in Chicago is too poor to care for his father. By his removal to Chicago two years ago Mr. Meyer has forfeited his right to admission to the Milwaukee county house, but Mr. Frelson will make an appeal in his behalf to his wealthy sons-in-law.

Mr. Meyer refused money aid. He was 77 years old and was once prominent in the councils of the Republican party, having twice been a delegate at large to National Convention.

BOURASSA LED ATTACK ON THE GOUVIN MEETING Made Trouble Until Police Were Called and Then Treated the Affair as a Joke

MONTREAL, Q., June 5.—Bourassa, surprised even his followers last night by taking part with a crowd of young men in breaking up a meeting of Premier Gourin. The Nationalists were headed by Mr. Bourassa went out of their way to their meeting, and headed by Mr. Bourassa went out of their way to break up the meeting. There they hooted and yelled till there was a fight and the police had to be called. Bourassa was there all the time and later held a meeting at which the affair was treated as a great joke.

The growth of crime in Montreal is giving the judges a good deal of anxiety. Since January 1 there have been 400 more cases in the sessions court than last year, and 50 per cent. of them are foreigners.

MAGEDONIAN MATTERS

ROME, June 4.—During the discussion of the Foreign Office Budget in the Chamber of Deputies, yesterday, Signor Ricciole Foreign Minister, delivered a speech which was intended to remove the impression of a disagreement among the powers, especially between Great Britain and Italy, on the Macedonian question.

CHATEAU FRONTENAC WAS BADLY DAMAGED TODAY

In Fighting a Little Blaze, the Firemen Flooded the Building With Water.

QUEBEC, June 5.—Considerable excitement prevailed in the famous Chateau Frontenac Hotel this morning at 2:40 o'clock, when the night watchman discovered a fire between the second and third floors. The guests were awakened and transferred out without the least excitement or commotion in any part of the building.

The upper part of the large building by this time was fast filling with smoke and the firemen were engaged in deluging the interior with water from as many hose nozzles as they could bring to play on it. They were taking no chances and the water simply poured through the walls and fell with the force of a small cataract to the halls below, in fact with such force that the plaster of the ceiling gave away and fell from the second flat.

BRAZIL PLANNING TO FIGHT CONSUMPTION

Most Advanced Campaign Will be Followed

WASHINGTON, June 5.—As a means of checking tuberculosis in the principal cities of Brazil, the sanitary authorities of that country have instituted a campaign involving the expenditure of \$1,250,000. According to a report from Consul General Geo. E. Anderson, who is stationed in Brazil, the authorities of the republic are preparing a campaign especially in Rio Janeiro as drastic as that against yellow fever. The Brazilian project includes as its principal features:

The compulsory report of every case of tuberculosis to the sanitary authorities; the complete assumption of charge of all cases of tuberculosis by public authorities; infectious cases separated from the public and patients supported by the public; the establishment of hospitals, with complete isolation, for tuberculosis infected invalids; and hotels and boarding houses, agricultural colleges, sanitariums for those not invalids; the absolute refusal of admission into Brazil of any person or animal having tuberculosis; the inspection of all foods and materials likely to carry bacilli; the destruction, with power to destroy anything infected; and the betterment of food, housing and other conditions of life for the large masses of the population in which tuberculosis is razing; for the prevention of disease by fortifying the people against it by improving the general health.

DR. DANIEL WAS AGAIN TALKING THROUGH HIS HAT

More Obstruction in This Morning's Session of Commons.

OTTAWA, June 5.—There was a fight on obstruction in the House of Commons this morning. Dr. Daniel resented observations made by Mr. Fielding yesterday with reference to waste of time involved in the discussion of the question of representation of the Maritime Provinces. Dr. Daniel thought the remarks of the Finance Minister were uncalled for and explained that the only opportunity open to him of bringing up the subject was on motion to go into supply.

Hon. Mr. Fielding thought the record of yesterday's proceedings would speak for itself. Hon. Mr. Pugsley took exception to a remark by a member of the opposition that the Minister of Public Works had not taken a part in the debate. There were thousands of men from the Atlantic to the Pacific who were looking for their pay and he had resolved not to be a party in wasting one minute of the time of the house.

FLORENCE MCCARTHY APPOINTED TO VACANCY ON BOARD OF LICENSE COMMISSIONERS

School Trustees Ask Authority to Issue \$40,000 Bonds --- Central Railway Commissioners Want \$12,000 for Work on the Line--- No Grant for Game Protective Association

The local government met this morning in their rooms on Church street, and transacted considerable business. Florence McCarthy was appointed a member of the Board of Liquor License Commissioners of St. John City in place of Dr. T. H. Lunney, whose term has expired.

A delegation from the Board of School Trustees, consisting of Chairman R. B. Emerson, M. Coll, J. V. Russell and Dr. Bridges appeared before the meeting and requested leave to issue bonds to the value of \$40,000 to cover the proposed extension of Winter street school. The premier intimated to the delegation that the views of the St. John common council would be heard before action was taken in the matter.

MAUD LESTER GETS A YEAR IN JAIL

Disreputable Woman Was Heavily Sentenced

Six prisoners were before Magistrate Ritchie in the police court this morning. Two common drunks were fined four dollars each or ten days jail. A quartette of disorderly persons consisting of Walter Moore, John Dolan and Charles Mullin, and last but not least Maud Lester, were given a scolding by the magistrate.

The quartette had been drunk and were acting very badly on the Westmorland Road, and so disgraced were the actions that the proprietor of a beer shop telephoned to the police. The men went to prison quietly, but the Lester woman put up a hard fight and had to be carted to the central station on a sledge. This morning Moore admitted being drunk but knew nothing of assaulting Dolan. Dolan Mulkin pleaded guilty to drunkenness and was fined \$3 or two months jail on the drunk charge and benched on the charge of disorderly conduct.

Maud Lester who is young in years, but old in disreputation, was arrested a couple of weeks ago for street walking and was allowed to go under suspended sentence. Dolan, Dolan she would lead a better life, get employment and keep off the street. This she did not do, and this morning she said she had been drinking but was not drunk, and had nothing to say regarding resting of the police. The magistrate fined her \$5 or two months jail for being drunk, and \$3 or ten months jail for resisting the police. Needless to say Maud did not have \$30 to pay her fine, and when sentenced she said: "Thank you, you must think that I'm terribly degraded."

In imposing the fines the magistrate said: "Lester, when you were here a short time ago we were so familiar with you that we called you Maud. You were put down as one of the no-goods, but were given a chance to do better. Now we have you back and will apologize for calling you 'Maud,' and will call you 'Miss Lester.' And 'Miss Lester' you will get the full penalty that the law allows. As for you three who would be called gentlemen, it would be a pity that gentlemen like you should be called no-goods because you were keeping company with Miss Lester."

The magistrate then called on Sergt. Kilpatrick and said that from what he learned the scenes on Westmorland Road and vicinity occasioned by the quartette were very disgraceful, and he instructed the officer to get the names of witnesses for a case on Monday afternoon. Some of these prisoners may be charged under the Vagrancy Act.

James McElhenny was fined \$2 for driving his coal team on the King St. East sidewalk and dumping coal on the walk. Deb. Carrite and Thos. F. White were charged with allowing coal on the sidewalk in front of the White Candy factory. W. V. Hatfield made the complaint. Mr. White pleaded not guilty as he had contracted with Mr. Carrite to have the cog delivered in his cellar. In the absence of Mr. Carrite, the case was adjourned for a week. Army Service Corps will meet for drill tonight.

SCHOOL TRUSTEES ASK AUTHORITY TO ISSUE \$40,000 BONDS --- CENTRAL RAILWAY COMMISSIONERS WANT \$12,000 FOR WORK ON THE LINE --- NO GRANT FOR GAME PROTECTIVE ASSOCIATION

A delegation from the Board of School Trustees, consisting of Chairman R. B. Emerson, M. Coll, J. V. Russell and Dr. Bridges appeared before the meeting and requested leave to issue bonds to the value of \$40,000 to cover the proposed extension of Winter street school. The premier intimated to the delegation that the views of the St. John common council would be heard before action was taken in the matter.

A report was received from the commissioners of the Central Railway to the effect that from twelve to twenty miles of the road between Chipman and Norton had not been ballasted either under Brown Bros' contract or under the day work done by the previous commissioners. Owing to this condition parts of the roadbed during

CLAMORING FOR DEATH OF DREYFUS

Paris Paper Prints a Sensational Article of a Revolutionary Nature

PARIS, June 5.—Whether yesterday's attempt upon the life of Major Alfred Dreyfus, at the time of the conclusion of Emile Zola in the Pantheon, was only the individual act of a man believing himself to be an outraged patriot, or had behind it an incipient nationalist plot, the Republic press is unanimous in deploring the incident and believes it injured rather than aided the cause, even though the shooting of Major Dreyfus has consolidated the Republican sentiment and they evidently desire to see the incident die out as quickly as possible. Any attempt to reopen the old Dreyfus issue at the trial of Louis Geogori, the man who shot the major yesterday, they point out, can easily be frustrated as being plainly extraneous. On the other hand the fury of the Nationalist papers is unbounded. L'Action Francaise fires a broadside which recalls the most exciting days of Dreyfus and Boulanger. At the head of its columns, this newspaper prints a statement by Charles Danet, and Lieut. Boleslary, and himself offered to kill Dreyfus, but his proposal was rejected.

A leading editorial in this paper appeals to the country to turn to the Duke of Orleans for redress, and concludes with these words: "Do you desire that Zola's body be ejected from the Pantheon? Do you desire to march Dreyfus to this execution block? If so invoke your king."

The paper also republishes a number of London reviews of the Dreyfus case, insisting that he is a traitor. The decision of the court of Cassation to cut off the time for an appeal, the paper says, is illegal, and it concludes its article as follows: "What we ask for Dreyfus is not six balls from a revolver, but the twelve bullets from the execution squad."

TURKISH GIRL'S ROMANCE

Escaping From Constantinople, She is Now Engaged to Polish Noble.

PARIS, June 4.—Mlle. Nouriyeh, the daughter of the late Nouri Bey, the Turkish Foreign Minister, whose sensational escape from her father's house in Constantinople two years ago attracted universal attention, is engaged to marry Count Ladislaus de Rostoyinski.

Mlle. Nouriyeh and her sister Red from Constantinople accompanied by their governess, and although the Turkish authorities attempted to have them arrested at Bologna and Vienna they succeeded in reaching Paris, where they have since lived unmolested. Their father, Nouri Bey, made them a small allowance, and the elder sister whose engagement is now announced, has supplemented her income by writing articles for the newspapers.

SCHOOL TRUSTEES ASK AUTHORITY TO ISSUE \$40,000 BONDS --- CENTRAL RAILWAY COMMISSIONERS WANT \$12,000 FOR WORK ON THE LINE --- NO GRANT FOR GAME PROTECTIVE ASSOCIATION

A delegation from the Fish, Forest and Game Protective Association, consisting of President Frank Fierewelling, Frank Ellis and Douglas C. Clinch was heard by the government. They explained the objects of the association and asked for a grant to assist in carrying on their work. The premier intimated that although the government were in full sympathy with the aims of the association, they would not be able to make and grant at present, as the estimates for the coming year have been made up and closed. The commission to investigate the past history of the Central Railway, which has been suggested, was not appointed by the government.

KOREAN INSURGENTS ARE SLAIN BY THE HUNDRED

Sixty Engagements With the Troops During the Past Nine Days in Which Large Numbers Were Killed

SEOUL, June 5.—The active movement to suppress the insurrection in now general throughout Korea. Japanese troops have been distributed in all disaffected provinces and an aggressive campaign has been carried out with a view of quickly capturing the various semi-organized bands of insurgents and suppressing the insurrectionary element.

The Associated Press representative has been officially informed that during the nine days ending June 4, sixty nine engagements took place between the Japanese and Korean troops and the insurgents in which 322 of the latter were killed and 56 taken prisoners. A considerable number of Korean police under Japanese officers are participating in the campaign against the insurgents.

TEN THOUSAND ON VIEW REPRESENT THREE ACRES OF CANVAS

PARIS, June 4.—The National Salon des Arts is now open, and in a fortnight the Salon des Artistes Francais will open its doors to the public. In these two salons, both of which are in the Grand Palais in the Champs Elysees, there will, at the end of this month, be 15,000 pictures. These represent about three acres of canvas.

The total length of the pictures without their frames would be nearly ten miles. reckoning one minute to look at every picture, and without taking any rest by day or night, it would take ten days and ten hours to see every picture in the two salons.

CLARK-CHAPMAN

The wedding of Robt. J. Clark and Miss Sarah B. Chapman, both of Chipman, N. B., took place last night at eight o'clock at the residence of Rev. B. H. Nobles, who performed the ceremony. The bridal couple were accompanied by a large party of friends who witnessed the ceremony. Mr. and Mrs. Clark will leave this afternoon for Bingham, Maine, where they will reside in future.

TORONTO, June 4.—A sheriff's officer seized the town of Dundas this morning, posting up notices on all the public buildings. Some time ago a man named Sutton was killed by the trailing electric light wire, and his widow secured \$2,000 judgment against the town. The officials took no notice of the judgment, expecting the electric light company would be held liable.
