DISOWNS THE SMART SET.

(Hamilton Times.)

Hetty Green's feelings have been outraged, and she is mad all over. It has been rumored that she aspired to New York society, and she characterizes the story as a lie. She says she is "not anxious for any of society to be told that 'some of the sets in New York are living in a worse manner than the people of Sodom and Gomorrah did, and I know it.' Hetty doesn't like the idea of having it rumored that she is eager to break into such a set.

GOOD RACING AT EASTERN MAINE FAIR.

BANGOR, Me., 28.—The twenty-third annual Eastern Maine fair opened today with ideal weather and a good attendance. The showing in all the departments is the largest since the New England fair twenty years ago, the exhibit of horses and cattle being exceptionally fine and the hall exhibits large. There were no accidents for the day. The track was fast and the racing good.

SOFT SOAP.

"Why did you place such a tough fowl before me?" asked the indignant lady patron of the waiter in a restaurant.

# Cuban Government's Offer of Clemency Criticized

**HAVANA, Aug. 28.**—In the absence of news of fighting between government and insurgent forces today, interest centers in the government's offer of clemency.

The offer is criticized in many quarters because it does not fix a time limit for the laying down of arms, thus giving the insurgents time to test their cause a while longer and still reserve the opportunity to quit.

Residents of the country districts of Havana and Pinar del Rio provinces uniformly speak respectfully of the size and conduct of the insurgent bands and it is asserted that the people of the more remote districts unquestionably are with them. The forces of the revolutionary sentiment do not appear as yet to have greatly diminished and there are no signs of the laying down of arms.

Captain Asbert's band was reported today near Havana in considerable large numbers.

General Betancourt, commanding the troops at Matanzas province, reported today that Matanzas was clear of insurgents. News from Santa Clara province is slow travelling and less reliable. The insurgents in the southern and eastern parts of that province received such severe blows in recent fights that they seem now more quiet.

The governor of the province telegraphed late tonight that the insurgents in the vicinity of Ranch Veloz are surrendering.

The governors of the provinces of Puerto Principe and Santiago are perfectly quiet.

Major Gomez is moving from Colon toward Yaguajay, Santa Clara province, pursuing a strong force of insurgents, and a battle is expected shortly.

## Annual Meeting of the Disciples of Christ

### Convention Took Place at Kempt, N. S.—Interesting Sermon by Rev. John Waugh

KEMPT, N. S., Aug. 27.—The annual meeting of the religious body known as Disciples of Christ, in New Brunswick and Nova Scotia, was held in Kempt, N. S., Aug. 24 to 27. The preliminary service was held Friday evening, when an interesting sermon was delivered by Rev. John Waugh of Milton, N. S. The business session of the convention began at nine o'clock on Saturday morning. Fifty-two delegates from abroad reported, and there was a large delegation from the surrounding country. Words of welcome were delivered by Rev. H. Murray of Kempt, and the response was made by the president, Rev. J. F. Floyd, of St. John.

Reports were read from twenty churches, showing a total membership of about 23,680. Some of the churches made no report. The reports generally spoke encouragingly of the work, and the president called special attention to Letete, where a beautiful house of worship had been built and dedicated during the year, and River John, where about 90 prominent people had been added to the church, with a fine interest prevailing in the community.

The following committees were appointed by the president, which he reported later: Ways and means, resolutions, nominations, time and place of next convention, enrollment, obituaries and statistics and Christian work. Reports of only some of the committees will be of interest to the general public. The committee on ways and means reported as follows, which was accepted:

Your committee submits the following plan:

1. That the church co-operate with the M. C. M. S. in preaching the Gospel by Rev. R. E. Stevenson.
2. That the churches seek opportunities, and encourage their ministers to hold at least one protracted meeting this year, at places where our plea is not represented, and make report of such work in the "The Christian" at the next convention.
3. That the "reports of the churches" columns of "The Christian" be more generally used. For this object, the secretaries of the various church societies and Bible schools should be requested to send monthly reports, and also write up special items.
4. That while reorganizing the all-round advantages of two collections for Maritime missionary work; if any church could secure better results by monthly collections, they should adopt that system.

JOHN WAUGH,  
R. E. STEVENSON,  
J. T. JACKSON.

The committee on nominations recommended the following names for the officers of the convention for the incoming year: Rev. R. E. Stevenson of Halifax, president; Rev. E. C. Ford of Pictou, vice president, and W. A. Barnes of St. John, secretary.—The recommendation was adopted.

The committee on Christian union reported as follows: "Whereas the Disciples of Christ have always laid the strongest emphasis upon the question of Christian union, and in fact from the very inception of their movement have been pleading for the union of all the followers of Christ upon a scriptural basis; and whereas there is present to day in the religious world a strong tendency leading to the union especially of those bodies having a genetic and doctrinal relationship to each other, witnessed by the proposed union of the Presbyterians, Methodists and Congregationalists of Canada and the complete fusion of the Baptists and Free Baptists of New Brunswick into one united Baptist church. Resolved:

1. That Christian greetings be sent to the convention of the United Baptist church, now in session at Liverpool, and that they be written to the delegate or delegates to confer on matters relative to a closer union and fellowship with the ultimate object in view of merging into one united church the United Baptists and the Disciples of Christ.
2. That this resolution be at once sent to the president of the Baptist convention now in session.

These resolutions were sent by telegraph to Rev. R. E. Stevenson of Halifax, and the resolutions were received by the Baptist convention with enthusiasm.

In the afternoon a Sunday school session was held. Reports were read from 9 auxiliaries, with a total membership of 183. The total receipts of the societies for last year were \$338.88, the expenditures \$514.14, leaving a balance of \$274.74. They also received during the year \$40 in cash and pledges. The election of officers resulted in the following: President, Mrs. A. Murray of Deer Island; vice-presidents—Nova Scotia, Miss Lila Jackson and Miss Ella Ford of Pictou; New Brunswick, Mrs. J. L. Flagg of St. John, and Mrs. H. C. Cook of Burd's Corner; P. E. Island, Miss Agnes Williams of Charlottetown and Mrs. T. H. Bates of Summerside.

Treasurer, Miss Clara A. Wood of Port Williams.

Secretary, Mrs. O. Wallace of Halifax.

Recording secretary, Mrs. H. B. Ford of Milton.

Superintendent of children's work, Mrs. Byron Lingley of St. John.

A centennial committee was appointed, consisting of Mrs. J. S. Flagg, Miss Lila Jackson, Mrs. T. H. Bates and Mrs. E. Murray.

# BANK PRESIDENT COMMITS SUICIDE.

PHILADELPHIA, Aug. 28.—Unable to meet its obligations because of the large amount of money loaned on insufficient security by its president, now dead, the Real Estate Trust Co. of Philadelphia, which, up to last Saturday, was considered one of the strongest financial institutions of the city, closed its doors today. Soon after the closing George H. Earle, Jr., a prominent financier, was appointed receiver. The liabilities of the company are placed at \$10,000,000, against which there are quick assets of about \$2,500,000 and collateral of about \$8,000,000, which is not negotiable or readily convertible. The collateral is held by the trust company, which is held mostly as security for loans of about \$5,300,000 made to Adolf Segal, a promoter of this city. The man responsible for the failure was Frank K. Hipple, one of Philadelphia's best known citizens, who died suddenly last Friday morning in his country home at Byrn Mawr, near here, under circumstances which, in the light of the developments which have since transpired, have led to the suspicion that he may have committed suicide. Mr. Hipple, in addition to being president of the Real Estate Trust Co., was treasurer of the board of trustees of the General Assembly of the Presbyterian Church in the United States, and was a director of the Franklin National Bank. Recently Mr. Hipple had been examined by the Presbyterian Church were examined by certified accountants and were found to be correct, but it cannot be stated positively tonight whether all the securities belonging to the General Assembly are intact, although it is hoped they are.

Dr. W. H. Roberts, stated clerk of the General Assembly of the Presbyterian church, who is at Mount Pocono, said that in addition to the deposits of the General Assembly, the real estate trust company also had about \$25,000 of funds placed there by Dr. Roberts as stated clerk. The Presbyterian hospital of Philadelphia, and the Board of Relief, of which he is president, also had sums of money in the failed institution. Dr. Roberts was asked if he could say whether the securities of the General Assembly, amounting to \$68,336, in Hipple's custody were intact. He replied: "I have no reason to believe otherwise, but cannot say positively."

For the loans to Adolf Segal, Hipple accepted collateral securities, the Majestic Hotel, a big new apartment house, operated by Segal, the Swedish Steel Co., of Lancaster, Pa., and the Pennsylvania Sugar Refining Co. of this city.

The Steel Company and the Sugar Refining Concern have never been in operation. Segal claims the collateral he gave is good and that he will meet his obligations.

There are those to whom Hipple loaned money on alleged insufficient securities, but their names have not been made public, and the sums are not believed to be large. How far Hipple benefited from the money, or whether he was merely the tool of others is yet to be determined.

Persistent rumors that President Hipple committed suicide were borne out tonight, when it was authoritatively stated that he took his life at his home Friday morning. Mr. Hipple is said to have taken a dose of laudanum with suicidal intent. While still conscious he filled his bath tub with water, and later was found apparently drowned.

Mr. Hipple's family decline to make any statement on the subject and the physicians interested in the case decline to be interviewed regarding the suicide theory.

The depositors are in a state of frenzy.

AMHERST, N. S., Aug. 28.—Tenders for the new dam for the Amherst water works were opened and considered at a regular meeting of the town council last evening. # MINERS CHOSEN AS ALASKAN CONGRESS DELEGATES

SEATTLE, Wash., Aug. 27.—Alaska has elected two miners to seats in the House of Representatives as her territorial delegates. They defeated the Republican and Democratic nominees in the elections last week by overwhelming majorities, and their election is looked on as Alaska's protest against broken promises by the national government and neglect of her interests and opposition to wealthy corporations.

The new delegates are Thomas Cole, elected by 3,311 plurality, for the long term, and Frank Waskey, who received 2,985 majority, for the short term. Cole is a native of Wisconsin, his home town, and has been a miner since 1887.

Frank Waskey was told of his nomination in the shaft of one of his mines while at work. He is thirty-three years old, is a Minnesotan, and his home is at Nome. He is energetic and knows the needs of Alaska. He is known as a "trail blazer" there, which interpreted means a man who accomplishes what he sets out to do.

An instance of the neglect of Alaska's interests is the matter of history that last year the Alaskans had to take up a collection among themselves to hire officials in the post office service on account of the insufficient appropriation granted them by the government for this purpose. And they had to do the same thing again this year, although the matter had been brought to the attention of the government officials, without avail. Post scandals in which federal officials have been involved in Alaska also had a part in determining the election.

BOSTON, Aug. 28.—Robert H. Long, of Chelsea, was arrested tonight on a charge of attempting to kill his wife Jennie H. Long, at a Rev. Beach resort. Mrs. Long was shot four times and is in a serious condition at Frost Hospital in Chelsea. Long attempted to shoot himself but the revolver had been emptied in his attack on his wife. It is said that the couple had quarreled and separated.

WHERE THE TRUTH FAILS.

Washington had established his reputation for veracity.

"But," we asked, "what do you say when people ask you how you enjoyed your vacation?"

Completely stumped, the great man deftly changed the question.

# Two Good Things to Take

A holiday and FERROL, both if possible, but if you cannot take a holiday you can at least take FERROL and that is by far the more important.

If you are overworked, fagged and generally run down a holiday will, no doubt, afford temporary relief. In like case

## FERROL

will effect a permanent cure and restore normal conditions. A holiday is good, FERROL is better; the two taken together are simply irresistible. FERROL, being a scientifically prepared combination of Oil with Iron and Phosphorus, supplies everything that is needed to restore lost weight, renew flagging vim and energy and build up the system generally. Everyone can take FERROL in summer as well as in winter and it never disappoints.

FERROL is not a patent mystery. The formula is freely published. It is prescribed by the best Physicians. It is used in prominent Hospitals, Sanitariums, etc.

# THE SONG OF THE SEARCH.

With garments crumpled and torn,  
With his heart in a desperate mood,  
A woman fumed in unwomanly rage  
Seeking a cooker of food  
Search! search! search!  
By subway, by trolley, in church,  
Wherever she went, in dolorous voice  
She sang the song of her search!

Search! search! search!  
While the cook is crawling aloof!  
And search! search! search!  
For she has no cook, foolscap!  
It's oh! for the days of slaves!  
When your servants dare not shirk,  
When ladies had never a dish to wash  
And were waited on like a Turk!

Search! search! search!  
Till your brain begins to swim,  
Search! search! search!  
Till you ache in every limb.  
A cook who will wash, or who won't,  
Or who condescends only to cook,  
It is always the same old threesome  
Whichever way you look!

With garments crumpled and torn,  
With eyelids heavy and red,  
She returns at night to a comfortless  
Home  
And tumbles, weary, to bed,  
Search! search! search!  
Next day it begins again,  
And we fear it will be till eternity.  
The burden of her refrain!

—Puck.

SOCIAL PREMINENCE OF PEARIDES.

From the Edgeland (S. C.) Chronicle.  
Mrs. Pod Ruggles, who lives down on Pea Ridge has become quite a social lioness. She gave a success tea and plays feet luncheon last night to the ladies of the Jeokous Society, and it was quite a swell affair. She wore her tailor made suit and benedict, diamond earrings and "pasted" with the grace of a queen. These Pea Ridge social functions are becoming much talked about in neighboring towns.
