

## "THAT LITTLE GAME" — Speeding a Burglar

## TONIGHT! YES! YOU MUST!

You Can't Stay Bilious and Constipated. Your Liver and Bowels Need "Cascarets"—No Gripes!

Turn the rascals out—the headache, biliousness, indigestion, colds, the sour stomach and misery-making gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

Cascarets tonight straighten you out by morning. They work while you sleep.

## SHIPMENTS TO GREECE.

In a letter to the Board of Trade, explaining why it had been found necessary to order certain Canadian shipments to Greece through a U. S. port, the Canadian Trade Commission states that the port to which the material must be shipped depends entirely on the supply of wheat at the various Atlantic ports, as all this traffic is to be loaded on ships supplied by the Greek government for the carriage of wheat from Canada. In ordering shipments to a U. S. port they were confining to altered arrangements of the Wheat Board, due largely to the inability of the railroads to get a sufficient volume of wheat to St. John. It is stated that there are now at St. John about 650 cubic tons of manufactured goods awaiting the arrival of a Greek ship. The Canadian Trade Commission assures the Board that Canadian ports will, in all cases, receive the preference in the handling of foreign shipments financed by Canada.

## OBITUARY

George Carleton Turner.

Upper Brighton, Feb. 20. — In the early morning of Jan. 30, 1920, there passed from this life a well-known and highly-respected citizen, in the person of Deacon George Carleton Turner, of Connell, N. B.

Though in his 85th year, and his faculties dimmed to some extent for the last year or two, he was able to be around, and enjoy fairly good health until about a month before his death, and, therefore, was spared any lengthy suffering.

He was a man of sterling character and high Christian influence, interested in every work for the betterment of humanity, but especially so in all that pertained to the upbuilding of his Master's Kingdom, having given the greater part of his life to devoted service in his church, of which he was deacon for over sixty years, and of which he was a charter member when organized and known as the Free Christian Baptist Church at Mouth of Big Presqu Shore.

The progress of the Church, both spiritually and financially, was in a large measure due to his unflinching zeal and faith.

The good deacon was also Superintendent of the Sunday School (probably organized by himself) during at least fifty years of its existence, and with the help of his beloved wife (deceased some six years ago) and other faithful teachers, he made the school a thriving one for many years. He was ever zealous that Christ's Kingdom should be established in the hearts of the children, many of whom, now Christian men and women, claim to have received in that Sunday School their greatest impetus for good, and will cherish with reverence the memory of their devoted leader.

He delighted to sing the good old-fashioned hymns, and in his declining years his voice remained surprisingly strong. In his partially unconscious moments, a few days before his death, it is said that he sang all the verses of the hymn, "Will Jesus find us watching?"—almost the last he was able to speak.

His father was Wm. Turner, a schoolmaster of early times, and his mother, formerly Elizabeth Dineen; his wife was Isabella Squires, the latter two of Loyalist descent. Though he was the oldest of his family, he was the last to go, having been a man of great physical strength.

He is survived by all his children, one son, Fred G. Turner, of Somerville, and four daughters, Mrs. O. N. Miller, who cared for him, and Mrs. J. N. Perry, of Connell; Mrs. G. W. Johnson, of Vancouver, and Mrs. J. A. White, of St. John, N. B.; also by three granddaughters and five grandsons, three of the latter having served in the Great War, and three great-grandchildren, besides a large connection.

His funeral was held from his late home on the Garrison Hill, and conducted by the Rev. Mr. Bishop, pastor of his church. Notwithstanding the severity of the weather and the snow blockade, a good many neighbors and other friends came to pay their last tribute of respect to the aged gentleman.

## POLICE COURT CASES YESTERDAY

Owing to the fact that the painters and decorators were busy renovating the police court yesterday morning, court was held in the court room.

A fine of \$200 was imposed on Harry Charles for assaulting the Rev. O. P. Brown and for brandishing a revolver.

He is also charged with two offences under the Liquor Act.

Alexander Herrie pleaded not guilty to stealing a case of liquor from the Anchor-Donaldson Line, and he was sent up for trial. J. A. Barry appeared in his defence. E. C. Weyman for the prosecution.

William Wood, a sailor off the S. S. Melita, pleaded guilty to a theft committed on the steamer Panad Head. He was remanded to jail and will be sent back to England.

William Marr, Alfred Brittain, Percy McKay, Basil Minnie and William Pinkney were arraigned before the court on a gambling charge. They all pleaded guilty and were fined \$50 or three months in jail each. The fine was allowed to stand.

Four arrested on liquor charges were remanded.

Ernest Bastarache, of Moncton, charged with vagrancy, was sent to jail.

## 1920 REVUE NOT GOING TO HALIFAX

Because of the sudden illness of several leading members of the cast and the slow recovery of others, the visit to Halifax of the company who produced the Loyalist Chapter L. O. D. Revue in this city last week, billed for the first of next week, has been called off.

The Majestic Theatre, Halifax, has wired his sincere regrets and hopes to have the company at a later date when the flu and other barriers are removed.

The cancellation of the pilgrimage of St. John amateurs also cancels the engagement—for the time being—of the Halifax stock players to St. John. It was arranged to keep both theatres in St. John and Halifax in operation by the exchange, but now the scheme is impracticable and things will remain in statu quo. The idea of a change-over has not been abandoned however.

## TORONTO'S DEATH TOLL FROM "FLU" STILL HEAVY

Twenty-Six Deaths Reported in Last 48 Hours—Many Children Succumb to Disease.

Toronto, Feb. 23.—Reports of 26 deaths from influenza and pneumonia over the week-end, covering 48 hours, indicate that the disease, while dying down, is still taking a heavy toll of lives. Fortunately, the total number of deaths from the flu and pneumonia is not by any means as large as a week ago.

A particularly sad feature of the week is the large number of little children under two years of age who have died. In one instance an infant and mother succumbed to pneumonia, the child being prematurely born.

## Common Council Met In Committee

Proposed Bill Respecting Paving of Streets of City Was Discussed Yesterday—Will be Submitted to a Plebiscite—Bill Regarding Power Company.

"If everything is loaded on the general assessment, a critical situation will result and a tax rate will be rolled up which will prove to be the disadvantage of the city and the citizens."

Mayor Hayes said when speaking of the proposed bill respecting paving of streets in the city of St. John.

Commissioner Fisher said he was not in accord with the bill particularly where it called upon the abutters to pay one-half of the sidewalk and curb and two-thirds of the pavement.

The bill provides that the city shall order a street paved if one-half the property owners presented a petition asking that the street be paved.

The bill also provides that the city shall pay for paving street intersections, and that the N. B. Power Company shall pay for the usual paving on streets it uses. The city's share of the cost would be one-third.

The excess of cost of paved driveways leading into any property over and above the cost of a similar area paved with material used for other portions of said sidewalks shall be paid by the owner of abutting property which is served by such driveway.

The cost of covering the part of any sidewalk situated at the intersection of two streets, and common to the sidewalk of both, shall be borne by the city.

The mayor said that in most of the cities of Canada the scheme is being carried out in this way. The proposed bill, he said, was not intended to do with this year's programme.

Commissioner Thornton said it was the mayor's opinion that this would cause the tax rate to go so high as to drive people from the city he was in favor of taking a plebiscite on the matter.

The mayor said this clause could be added to the bill.

Mr. Jones said a previous commissioner had introduced a bill similar to this had been suggested and it had raised such a storm of protest that it was defeated by the commission.

One objectionable feature of the bill, he said, was that there was no provision made for protest.

The matter will be submitted to a plebiscite.

Commissioner Fisher moved that a bill be prepared and presented to the Legislature for enactment at the next session, as follows: (1) To fix and determine the valuation of property and assets upon which the New Brunswick Power Company shall be entitled to a return; (2) to fix the rate of such return; (3) to provide for civic participation in the management of the affairs of the said company; (4) to provide for the taking over by the city of St. John of the plant, assets and franchise of the said company in whole or in part. The motion carried.

## BOSTON WITHOUT AFTERNOON PAPERS

Newsprint Shortage Cause for Suspension of Afternoon Editions.

Boston, Feb. 23.—Boston is without afternoon papers today. The holiday is given as a reason, but it is said the shortage of newsprint was a factor in deciding the publishers not to issue afternoon editions. In a large number of other New England cities there are no afternoon papers.

## Hard To Realize

She's Same Woman

Mrs. McClanahan Brimful of New Life and Energy Since Taking Tanlac.

"I have not only gotten rid of a severe stomach trouble of nine years standing, since I started taking Tanlac, but have gained ten pounds in weight and am still gaining," said Mrs. D. McClanahan, Grassy Bay, B. C., recently.

"Before I started taking Tanlac," Mrs. McClanahan continued, "I was so weak I could hardly get about and my appetite was so poor I had no relish for any kind of food and just had to force down every mouthful I ate. When I did manage to eat a little something it began to ferment almost at once, I would have intense cramping pains in the pit of my stomach, and gas would form and press against my heart until it palpitated dreadfully. I suffered with such severe headaches nearly all the time they almost made me desperate and at times I became so dizzy it was all I could do to stand on my feet. Then, too, I was extremely nervous, and the least little noise would completely upset me. Why, I could not even stand the rustling of a newspaper and it was just impossible for me to get a good night's sleep, as I would toss about all night long, and I always felt worse on getting up than when I went to bed. I was also troubled a great deal with constipation and had to always be taking some sort of laxative."

"But things are altogether different now, for since taking Tanlac I am completely rid of all my troubles. My appetite is simply wonderful and I can hardly eat enough to satisfy me, and the best of it is, I eat just anything I want without suffering any bad after effects whatever. I am never troubled with pains, gas or palpitation of the heart, and have not had a headache or dizzy spell since I began taking Tanlac. My nerves are in such good condition I can sleep all night long as peacefully as a child and always get up feeling greatly refreshed. I am not troubled with constipation any more and have regained my strength to such an extent and feel so good and am so full of life I can hardly realize I am the same woman."

"My husband, whose stomach was in every bit as bad condition as mine was, has gotten the same results from Tanlac that I have, and we both recommend it every chance we have."

Tanlac is sold in St. John by Ross Drug Company and the leading drug stores in every town, under the personal direction of a special Tanlac representative—Advt.

DOMINION LODGE FAIR.

The Dominion L. O. L. Fair being held in the Simonds Street Hall is being well patronized, and drew a large crowd last night. The door prize, a box of apples, was won by C. L. Hamilton, with the lucky ticket No. 10.

The shooting gallery prize, a music roll, was won by William Totton; the ten pins prize, a can of coffee, was won by Wilton Cronk. The bowling alley prize, a safety razor, went to Herbert Hamilton. Arthur Hammond won the gent's bean board prize, a pair of gent's gloves; Miss Maud Kierstead, the lady's, a fancy case.

The fair is to run till Saturday night; half the proceeds are to go to the Provincial Memorial Home, Wright street, the other half will be devoted to the lodge's bursar fund, and the door prize tonight will be a barrel of flour.

LAW LIBRARY EXTENSION

The extension to Law Library in the Pugsley building, which is being used for the use of the students of the Kings College Law School have been completed and are now being furnished. The new additions consist of additional library quarters on the floor above the present barristers' library, from which there is a staircase leading to the extension above. This part will be supplied with new book cases and many of the reports from downstairs moved up. Across the hall from this is a well-lighted and up-to-date classroom for the students, who was used for the first time on Saturday evening when an examination in Medical Jurisprudence was written.

Dr. W. W. White being the examiner. Adjoining the classroom is a commodious and much appreciated smoking and study room for the students.
