

LAUNDRY PERFECTION

The "NATIONAL" scores "a touch down."

No more broken button holes,

Razor edged collars and limp neck bands,

Broken cuffs or peeled shirt bosoms.

The "NATIONAL" non-tearing equipment does away with all that.

NATIONAL prices just the same as linen-wrecking common laundries.

The NATIONAL is the only laundry in the city giving that beautiful, ~~linen-saving~~ genteel, domestic finish.

All good dressers wear domestic finished linen.
