

## Editor's Notes

**QUARTERLY SUBSCRIPTION RATE TO INCREASE** It's no revelation to you that inflation is here to stay. We all feel the increased costs of food and fuel, shelter and clothing, entertainment and recreation. That *the Quarterly* is affected by increased costs should be readily understood. The cost of the paper that makes up this very magazine, for instance, has escalated faster than that of crude oil — and we're all well aware of those increases!

Over the years *Quarterly* editors have invested any available balance from our subscription account in the highest yield term deposits available. In effect, this has "stretched" our working capital and enabled us to delay rate increases to you... the subscriber.

The inevitable has come, however. Our predictable income for the remainder of 1980 together with our present balance will cover 1980 expenses, and no more. Accordingly, the annual subscription price of *the Quarterly* will increase a dollar (\$1.00) in January 1981. The new *Quarterly* price in 1981 will therefore be \$1.25 per issue, or \$5 per year.

**REUNION** A second reunion of the RCMP Marine Division will take place in Halifax, N.S., on September 19 and 20, 1980. All former members of the Marine Division are asked to contact Earl E. Walker if they would like to attend. Final date for registration is August 18. Earl E. Walker, 76 John Stewart Drive, Forest Hills, Dartmouth, N.S., B2W 4J8. Telephone: 902-434-0266.

**"A" TROOP — 1956** Several members of "A" Troop (1956) are interested in holding a reunion in Ottawa at the Long Island Campground to commemorate their 25th anniversary. They propose a date in July 1981, and intend on reserving space and buildings at the Long Island facility for a three-day weekend. Interested Troop members are requested to contact:
