**REV. ALEX. GILRAY,** College Street Presbyterian Church, writes: Dear Sirs,—

It is with much satisfaction that I learn that you have decided to establish a branch office in Toronto, believing as I do, that the more widely your Acetic Acid remedy is made known, the greater will be the gratitude accorded to you for the relief experienced by many sufferers in Canada. We have used your Acid for over eighteen years, and are now prepared to state that it is worthy of a place in every family. We have found it thoroughly safe and effective and have commended it to many—for which we have been thanked. We wish you success in your new quarters, as we feel sure your success will bring relief here as it has already done to large numbers in the old land and other countries. Much will depend on the patient and persevering use of the Acid as set forth in your little book.
