THE SUCCESSFUL REMEDY

—For—

Nasal Catarrh

♣

Must be non-irritating, easy of application, and one that will, by its own action, reach all the remote sores and ulcerated surfaces. The efforts to treat catarrh during the past few years demonstrate that only one remedy has met these conditions, and that is Ely's Cream Balm. This safe and pleasant remedy has mastered catarrh as nothing else has ever done, and both physicians and patients freely concede this fact. The more distressing symptoms quickly yield to it, and a multitude of persons who have for years borne all the worry and pain that catarrh can inflict, testify to radical and permanent cures wrought by it.

Ely's Cream Balm is soothing, excites no dread, dissolves the hardened accumulations, lessens the extreme sensibility of the membrane to cold and all external irritants, and is followed by no reaction whatever.

A cold in the head is an inflammation of the lining membrane of the nasal passages, which, when unchecked, is certain to produce a catarrhal condition—for catarrh is essentially a "cold" which nature is no longer able to resolve or throw off.

ELY'S CREAM BALM is not a liquid, snuff or powder. Applied into the nostrils it is quickly absorbed. It cleanses the head, allays inflammation, heals the sores, restores the senses of taste and smell. Sold by druggists or sent on receipt of Price, 50c.

SOLUBILITY The first requisite of a capsule is its SOLUBILITY, or its ability to dissolve quickly in the stomach and distribute its ingredients. Our Capsules are manufactured by a new process, from the finest imported French gelatine obtainable at the lowest possible dissolving temperature of the gelatine, and the result is the Most SOLUBLE and QUICKEST DISSOLVING Capsule on the market. Send for samples.

CUT The second requisite of a capsule is a smooth, even CUT, which enables the dispenser to move easily, fill, and at the same gives greater accuracy of capacity. Our Cut is square, even and clean. Send for samples.

FIT The third requisite of a capsule is the fitting of the cap and body together, so that in handling they will not come apart, and allow the medicine to be wasted or scattered over other capsules in a box. Our capsule joins the closest and neatest of any. Send for samples.

COLOR The color of a capsule, while not of vital importance, must be looked at. Our capsules are clear, light-colored, and the cleanest and neatest manufactured. Send for samples.
