For Mother's Baby, Doll's Set of Baby Clothes Santa Claus May Bring to Mother's Girl. 1902—Just the thing to please little mothers. There are dolls and dolls, but no doll so dear to the heart of a doll's mother as one dressed in baby clothes. The designs here shown will be found easy to make, as they are cut on simple, one-piece lines. The dress may be made of nainsook, lawn or batiste

and trimmed with bands of lace or embroidery. The coat will develop nicely in cashmere, silk, henrietta or Bedford cord. The sacque and kimono will look well made of flannel or flannelette, and the cape of silk or flannel. The pattern is cut in 3 sizes for dolls: 16, 18 and 20 inches in length. It will require 2½ yards of 27-inch material for the dress, 1½ yard of 24-inch material for the wrapper, and 2½ yards of 24-inch material for the coat, for an 18-inch doll. A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

Child's Play Dress. 2969—This pretty model is just the thing for romping and playing. It makes an ideal, simple, home dress. The style is suitable for khaki,

drill, seersucker, gingham, poplin, lawn or percale. Unbleached muslin finished with blanket stitching and with belt and bunny in some contrasting color, would be very attractive. The pattern is cut in 5 sizes: 2, 4, 6, 8 and 10 years. Size

6 requires 2 yards of 36-inch material. A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

A Set of Attractive Nursery Toys. 2937—One may have these toys of toweling, terry cloth, or eiderdown. The filling may be of sawdust, cotton batting, paper snips, cork or other substance that

will make the toy float. The pattern is in one size. It will require ¾ yard of 24-inch material for either toy. A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

A Set of Toy Animals. 2967—These toys will please the "little tots." They may be made of toweling, flannel, felt, plush, velvet, and other pile fabrics. For stuffing cork could be used if one wants a toy that will stand wetting; or one could

use sawdust, bran or cotton. The pattern is cut in one size. The cow requires ¾ yard of 27-inch material and the horse ¾ yard of 36-inch material. A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

A Pleasing Group of Things to Make for the Holidays. 1140—This combination includes a work basket, a utility case, and a pin box and spool holder combined. The latter could also be developed as a button box. The work basket is good for cretonne, silk, linen or denim. The utility case may also be made of cretonne, linen, denim or crash, but is best rubber lined, or made of rubberized materials. The spool holder may be of silk, canvas, denim, cretonne or crash. A good suggestion for the work basket would be found in tan linen, embroidered in red, and lining of red satin or sateen. Cretonne in lovely pink and green tones would also make this a serviceable article. The basket sections could also be woven, of raffia over a cardboard foundation and lined with silk. For the pin box the same materials would serve that

could be used for the work box. For the utility case there are lovely rubberized silks, and cretonnes that will be very good for this article. It requires 1½

yard of 36-inch material for No. 1, 1¼ yard of 27-inch material for No. 2, and ¾ yard of 24-inch material for No. 3. A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

A Dainty Set of Aprons. 1894—Ladies' Aprons. These styles are nice for lawn, batiste, linen or crepe. No. 1 is made with a panel that is cut with a pretty bib section. No. 2 is in one piece with

an ample pocket and dainty bib portion. These aprons are cut in one-size only. It will require ¾ yard of 36-inch material for No. 1 and 1¼ yard for No. 2. A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

A Wonderful Change Due to Virol

Toronto, November 6th, 1916.
The Virol Co.,
Montreal.

Dear Sir,—I am sending you a picture of my little boy, who from birth till eight months old never gained one lb. in weight though I had tried almost every food on the market without success.

A friend told me to try Virol, and from the very first feeding I noticed a great change in my baby.

He started to improve in health and strength, and to-day I am a thankful mother, thanks to Virol for saving his life. Now I shall always recommend Virol to mothers who have sick and delicate babies.

I remain, respectfully,
Mrs. QUELCH.

No. 1, Wilton Crescent,
Toronto.
