Dear Sir: re Indian Reserves

We are in receipt of yours of the 28th instant with reference to the Department's subsidy applying on roads within the Indian Reserves under The Highway Improvement Act, for Winter maintenance.

We wish to advise you that the Indian Reserves are in the same classification as the township and this applies to snow clearing, snow fence, etc., and for your information we are forwarding, under separate cover, a copy of the Office Compilation, 1935, of The Highway Improvement Act, (see Section 45) and also a copy of our Township Road Regulations, 1936, and would refer you to pages eight and nine.

Yours truly,

A. R. Marshall
