

TWO BIG COMPANIES HAVE GOOD YEARS--BANK CLEARINGS IMPROVED

AN EPOCH IN THE RAILWAY HISTORY OF CANADA

The recent appointment of Sir Henry Thornton as President of the Canadian National Railways, and his coming to the job, will be a landmark in the history of the railway system in the world, marking an epoch in the history of Canada.

While this is a very important appointment, it is not the only one. The railway system in Canada has been undergoing a period of rapid development and improvement. The Canadian National Railways, under the leadership of Sir Henry Thornton, has been making great strides in the past few years.

TORONTO BREAK NOT EXPECTED

Toronto, Nov. 30.—The break in Toronto today was hardly unexpected. The market had been building up since the middle of the week, and a sharp decline was anticipated.

The market had been building up since the middle of the week, and a sharp decline was anticipated. The market had been building up since the middle of the week, and a sharp decline was anticipated.

BANK CLEARINGS CONTINUE LOWER

Local bank clearings for the week ending today were \$89,737,982 as compared with \$90,340,008 in 1921 and \$148,784,008 in 1920.

BREWERS AND TORONTO DOWN

The local market was again sluggish during the week ending today. Prices were lower, and what actively existed, was confined to three or four issues for the most part.
