

- Ureter, position of, in myoma cases, 378
 pressure on, by myoma, 381
 vermicular contraction of, 385
- Uretero-ureteral anastomosis, with subsequent removal of kidney, 383
- Urethra, escape of pus from, after abdominal myomectomy, 550
- Urination in myoma cases, 376
- Urine, retention of, after abdominal hysteromyomectomy, 657
 suppression of, after abdominal hysteromyomectomy, 657, 682
- Uterine artery, bleeding from accessory branch of, during abdominal hysteromyomectomy, 623
 fatal hemorrhage from, due to catgut absorption, 681
 passage of silk ligature from, into bladder, 375
 tearing of, during abdominal myomectomy, 525
- Uterine cavity, blood in, in myoma cases, 309
 epithelium lining, atypical changes in, in myoma cases, 332
 obliteration of, partial, in myoma cases, 308
 opening of suppurating interstitial myoma into, 146
 pus in, in myoma cases, 310
 size and shape of, in myoma cases, 305
- Uterine discharge, character of, in myoma, 442
 foul, following abdominal myomectomy, 550
 glands associated with myoma, unusual shapes of, 321
 dilatation of, 323
 hypertrophy of, 325
 running parallel to surface of uterine mucosa, 316
- horn, diffuse adenomyoma of, in bicornate uterus, 157
 dilatation of lymphatics of, 74
 lymphatics, dilatation of, associated with myoma, 72, 76
- Uterine mucosa, blood-vessels of, alterations in, in myoma cases, 317
 condition of, in myoma cases, 297, 310
 in myosarcoma of uterus, 176
 edema of, in myoma cases, 322
 extension of muscle into, in myoma cases, 317
 glands running parallel to surface of, in myoma cases, 316
 small myoma developing in, 333
 thrombosis of veins in, with myoma, 320
 unusual gland shapes associated with myoma in, 321
- Uterine muscle and myoma, line of junction between, 8, 9, 10
 condition of, with myoma, 11
- Uterine polypi associated with myoma, 325, 328, 329
- Uterine stones with myoma, 130
- Uterine vessels, hemorrhage from, during abdominal hysteromyomectomy, 621
- Uterine wall, perforation of, after death of fetus, 470
 sloughing of, after abdominal myomectomy, 551
 after removal of large interstitial myoma, 551
- Utero-ovarian ligaments, adenomyoma of, 360
 changes in, with myoma, 356
 cysts of, with myoma, 356, 357
 myoma of, 358, 360
 secondary sarcomatous nodule in, with myoma, 360
- Uterus, adenocarcinoma of, associated with myoma, 274. See also *Adenocarcinoma of uterus*.
 adenomyoma of, 167, 168, 511
 angionyoma of, 158-161
- Uterus bicornate, diffuse adenomyoma in one horn of, 157
- Uterus, bisection of, for myoma, 608, 683, 684, 685
 broad ligaments of, abscess of, and myoma, 354, 355, 510
- Uterus, carcinoma of, 485
 associated with myoma, 295, 296, 404, 405-416, 485
 enlargement of, due to retained menstrual flow, 485
 fibroids of, 1. See also *Myoma*.
 fibroma of, 1. See also *Myoma*.
 fibromyoma of, 1. See also *Myoma*.
 hypertrophy of, in myoma cases, 11
 infection of, from carcinoma of uterus, after abdominal myomectomy, 540
 inspection of, in differential diagnosis of myoma and pregnancy, 467
 interstitial myosarcoma of, 171
 intraligamentary myosarcoma of, 171
 inversion of, associated with submucous myoma, 71
 large suppurating myoma opening into cavity of, 151
 lipomyoma of, 162-166
 malformations of, associated with myoma, 155-157
 myoma of, 1. See also *Myoma*.
 myosarcoma of, 169-261
 pain in, with myoma, 448
