

**KIDNEY AND LIVER COMPLAINT.**

GENTLEMEN,—I have been using your Burdock Blood Bitters and Burdock Pills for Kidney and Liver Complaint combined. I was given up by my doctor to die; and he said I might try your Burdock remedies. In a few days I found such great relief and felt so much better that everybody said—"Why, how well you are looking!" I took the remedies right along for a month; and I can say am now entirely cured. I cannot say too much for B. B. B. I shall keep the medicine in my house and recommend it to all my friends. It relieves Constipation, and is truly wonderful in its effects.

**A Complicated Case.**

MEAFORD, Ont., July 6th, 1885.

MESSRS. T. MILBURN & Co.

I have been using your Burdock Blood Bitters for Rheumatic Gout in my feet and chronic trouble of the Stomach and Liver, and am pleased to say that after all other remedies had failed and I had almost concluded that I was incurable, B. B. B. gives me strong hopes of recovery. It is doing me good and I wish to continue the medicine. I am a travelling advertisement of its virtues.

Yours faithfully,  
HARRY RICARDO.

P.S.—I don't forget to recommend Haggard's Yellow Oil for lameness. I can now walk better than for six months past, from its effects in Rheumatism. And for deafness it worked wonders in my case.

**Another of Hundreds.**

BADDECK, Cape Breton, N.S.

Aug. 14th, 1885.

I can truly say that I am among the many hundreds that have proved the merits of Burdock Blood Bitters.

For many years I have been troubled with weakness in my back, pain between

my shoulders, sick stomach, general debility, and many distressing symptoms, rendering me unfit for labor. I was entirely discouraged, when I saw your Burdock Blood Bitters recommended in similar troubles. I tried it, and to my great joy and surprise, I found quick relief, gained strength, and soon was able to resume work. I believe, were it not for Burdock Blood Bitters, I should be in my grave. Others of my acquaintance, afflicted like me with Liver and Kidney troubles, have been helped by the same valuable remedy, etc., etc. Extract from a long letter from
