To the Members of Dominion Church Congregation.

DEAR FRIENDS:—Assured of your interest in your own Sunday School, we have much pleasure in again placing before you the Annual Report.

May we not confidently hope, not only for a ready and generous response to our appeal *re finances*, but also for an increased membership? The presence of more of the adult members of our congregation would be a great encouragement to us. With God's blessing, our Sunday School may hopefully enter upon the New Year, confident that in this department of the vineyard there is an abundant reward.

Sunday School Hall,

Ottawa, January 1st, 1894.
