

## A SUNDAY SCHOOL PROBLEM SOLVED

The Problem of the 12, 13, 14 year old boy and girl! Our New Intermediate Departmental Graded Teacher's and Scholar's Quarterlies are likely to prove the most important step yet taken to meet the peculiar needs of the 12, 13, 14 year old boys and girls. They are written for these ages and none other. The new Quarterlies begin with October, and will be ready the first of September. The first six months' Lessons are a complete consecutive study of the Gospel of Mark. For Schools that are using our Junior Departmental Graded Lessons and wish to promote these classes to the Intermediate Department, we will cancel their order for the quarter, and substitute the new Intermediate Lessons without extra charge, if so desired. SEND FOR SAMPLES of the new Quarterlies.
