

United States. It will be noticed that this horse is closely inbred to Prince of Wales, and on this account, it on no other, will be highly popular with breeders. He has won a large number of prizes, and is a fine flashy legged horse, with good action. Mr. Peter Crawford's well-known stud at Dargavil is also drawn upon, supplying a capital two-year-old named Lord Kimberley (1905). Bred by Mr. Robert Wilson, Manswra Bridge of Weir, this colt is by the Cawdor Cup winner Prince Alexander, out of the excellent mare Jeanie IV, by Prince Gallant, winner of several prizes. His g-dam is the celebrated Jeanie Wilson, by Top Gallant, whose influence is perhaps more strongly felt in the breed to-day than that of any dead sire. Another good two-year-old, Baron Clatt, came from Mr. A. McRobbie, and is got by Baron Ruby, the splendid son of Baron's Pride. This horse is also well-bred on his dam's side, and should make a very serviceable stallion in the future. He includes a capital two-year-old and three-year-old from Mr. Stuart, Earldale, Kennethmount. The former is also by Baron Ruby, and is out of a Darnley's Hero mare. The three-year-old is a big, handsome, commanding, enter-in-Chief, tracing back on the dam's side to the famous Earnock mares. She is a filly of considerable promise, and came from Mr. John Brown, Innesmill, Elgin, and is got by the high-priced Prince Thomas horse Urieside. Altogether, this shipment does the Messrs. Dalgety credit. The firm are in a rather unique position in having representatives in touch with all the breeders, and in having a knowledge of all the best and best doing animals on both sides of the water. They are thus always able to lay their hands on good-looking stallions, and purchasers can have confidence in what they may secure at London, Ontario—Scottish Farmer.

Still They Come

Messrs. A. & W. Montgomery, Netherhall and Banks, Kirkcubright, are following up the success of Sir William Van Horn's shipment Lord Ardwall, with increasing shipments of high class horses. Lord Ardwall was purchased from them early in spring. He was first last year at Ayr, Edinburgh, and the H. and A. S. shows, and was one of the famous colts bred at Lochfergus. On Wednesday of this week the Donaldson Line put on an extra steamer, the Kastalia, for Montreal. She carried eleven stallions and one mare for Mr. William Colquhoun, Mitchell, Ont.; one stallion for Mr. Oswald Sorby, Guelph, Ont., who sent over a special messenger for this horse; and two stallions and four mares and fillies for A. Atchison, Guelph, Ont., a new shipper. All of these animals were purchased from the Netherhall and Banks stud. Mr. Sorby's purchase was the celebrated prize horse Acme (10485), for several seasons in succession the Lanark premium horse, where he bred quite a number of first-class animals, and on more than one occasion well-placed in the prize list at the Highland. He was third at Dumfries in 1903, and at Perth in 1904, and fourth at Glasgow in 1905. Few better examples of the Clydesdale can be found than Acme. He is a thick, well-coupled, strong horse, and well deserves his name. Wherever he travelled he was a favorite and he has been a premium horse since he was three years old. His sire was the champion Baron's Pride (9122), and his dam, Mr. Donnan's Sibyl Gray, was got by the celebrated first prize stallion Orlando (8092), which stood first as a

Mr. Colquhoun has eleven stallions and one mare. His stallions are, as is usual with Mr. Colquhoun, a superior lot of good doing horses, big and heavy, with plenty spring of ribs and good backs. Prominent amongst them is the noted Prince of Clay (1047), looking very fit. He had the Glasgow premium when a three-year-
