Tudhope Sleighs

need no recommendation to men who have bought Tudhope Carriages.

The name "Tudhope" is the only guarantee that those men require.

They know the Tudhope standard of quality. And they know that Tudhope Sleighs are just as good, in their way, as Tudhope Carriages. Both have been Canada's best since 1855.

The man, who does not ride in a Tudhope Carriage, will do so after he uses a Tudhope Sleigh this winter. The way a Tudhope Sleigh skims the ice—and stands up against hard driving and heavy jolts—is going to make him a convert to Tudhope quality.

Tudhope No. 80

This is probably the most popular sleigh in Canada. Because it appeals to the greatest number of men. It makes a stylish appearance on the road. It is easy and comfortable. And it gives excellent service. No. 80 has steel braces throughout, and flanged channel steel shoeing on $\frac{3}{4}$ inch runner. The body is black with striped scroll panels. It has high

spring back and spring cushion, and large roomy seat and drop bottom. The shafts are full trimmed with silver tips. All mountings are nickel plated on brass.

No. 80 is only one of the many types illustrated and described in our new catalogue. If there is a new sleigh to be bought this winter, send for a free copy of the catalogue to assist you in deciding just which Tudhope Sleigh you prefer.
