

At peace with his neighbors and their animals

Mr. James Martin, of Rounthwaite, Manitoba, gives the following eleven reasons why he likes **Page Wire Fence**. Could anyone wish a better recommendation? He says he likes it,

- | | |
|----------------------------------|--|
| Because it is a permanent fence. | Because it is always ornamental. |
| —it is the strongest fence. | —other makers try to imitate it. |
| —it is the safest fence. | —it increases the value of your property. |
| —it is the best looking fence. | —it allows you to live at peace with your neighbors and their animals. |
| —it won't obstruct the view. | |
| —it won't cause snow drifts. | |
| —it requires no repairs. | |

AYRSHIRE EXHIBIT.

The American breeders of Ayrshire cattle have decided to leave the matter of a dairy test at the St. Louis Fair in the hands of their executive committee. Five thousand dollars has been set at the disposal of the committee to be used as they see fit in promoting a good ring exhibit of the breed.

MORE CLYDESDALES FOR CANADA.

Messrs. Dalgety Bros., London, Ontario, have received another very useful importation of Clydesdale stallions. Three of them, says the Scottish Farmer, are Prince Alexander Albert (10840), Dividend (10729), and Royal Kerr, a rising three-year-old. The last one is an exceptionally good horse, bred by Mr. Wm. Bone, Shalloch Park, and got by Mr. John Kerr's well-known breeding horse, Royal Champion, which had the Girvan premium four years ago. The dam of Royal Kerr is own sister to the celebrated champion mare, Mary Kerr, which gained first prize at the principal shows as a three-year-old and as a brood mare. She was got by the Cawdor Cup champion horse, Prince Alexander (8899), out of a high-priced Lord Erskine mare, Royal Champion has been one of the most successful sires of high-class horses in Scotland, his produce selling at long prices in Cumberland, where he is well known and highly popular. Dividend was bred and owned by Mr. John Marr, Cairnbrogie, Old Meldrum, and got by the superior horse, Pandora's Prince (19319), whose sire was Prince Alexander (8899), and his dam, the champion mare, Pandora. Dividend's dam was one of Mr. Marr's well-known race of Darlings, i. e., Darling VIII., by Cairnbrogie Stamp. He is an uncommonly well-bred horse, tracing back, on the dam's side, to the dam of Prince of Wales (673). Prince Alexander Albert was got by the well-known horse, Prince of Fortune (9826), out of a well-bred mare owned by Mr. Thomas A. Carrick, East Cambusdrenny, Stirling. He is a nice gay horse, and, like his neighbor, Royal Kerr, was purchased from Mr. Peter Crawford, Dargavel, Dumfries. Royal Kerr is perhaps the best horse shipped this year, being a big, powerful animal, likely to breed good geldings.
