## RIVIÈRE COLOR PRINTS

This illustration shows four panels from our big Travelling Exhibit. These panels may be tied together like a screen or hung separately in any available space as desired.

**THE EXHIBIT IS LOANED FREE** for the purpose of providing ways and means for obtaining pictures for School Decoration. The receipts from admission fees, contributions, etc., are to be expended for pictures. One-third may be retained for local framing. Pictures delivered to schools free of duty.

### Brief Description of the Exhibit.

**200 LARGE PICTURES** representative of the whole world of Art, many in the colors of the originals. Each picture has a 60-word descriptive card attached. The Exhibit is easily placed. A lecture on Art is furnished, attractive posters for display, and helpful suggestions. *Write* for dates as we must plan ahead.

### We don't claim Absolute Supremacy in anything.

**BUT** our fadeless sepia photographs are made from our own original negatives—not copied from other reproductions. Our hand-painted photographs from studies of the originals are done by experienced colorists, under the supervision of our **Art Director**.

**Art Catalog of 500 Subjects—  
200 illustrations—free.**

**Liberal discount to Canadian Schools and Teachers.**
