A COMFORT TO THE SOLDIERS

STAG

CHEWING

TOBACCO

Extract of a letter from a Corporal at the front to a Suffolk Clergyman:—

"What hurt us most" he writes, "was the poisonous gas, which made the air green and yellow, choking and poisoning men where they stood. Tobacco saved many lives in that battle. We began to feel choky, but put big chews in our mouths, and this caused us to expectorate the gas. Now whenever we notice the gas, we chew tobacco, which greatly helps."

Our gallant Canadian boys at the front are enjoying its satisfying qualities.

COAL

No need of freezing;
we can supply your
needs!

Our screened lump is excellent for domestic use, while our run of mine is a very good steam coal. We can give you the most heating value for your money.

Our mines are located the farthest east in the Alberta coal fields on the main line of the C.P.R., thus our freight rates are lower. Write us for prices.
