THE SUNSHINE KID

### You Can't Squint And Look Pretty

Eyestrain is a foe to beauty It causes one to squint or frown, in order to see well at times, and this brings wrinkles and an unpleasant expression.

Glasses fitted at Blackburn's end eyestrain that is a drain on health and nervous energy, as well as a menace to sight and good looks. The care taken to provide a becoming style makes Blackburn's glasses an asset to your appearance.
