Social and Personal

Mrs. George Babbitt was the hostess at a very pleasant auction Bridge of two tables on the evening of Thursday last. There were three guests of honor, Miss Miriam Mowat, Capt. Herbert Everett, and Lieut. Archie Babbitt, and Miss Mowat was presented with a Queen Anneschnitz cup and saucer. The prize winners were Miss Bessie Grimmer, silver pitcher, and Lieut. Babbitt, cigarette. Supper was served in the dining room at the close of a thoroughly enjoyable evening.

Lieut. Percy Sherren, who was for two years employed in the St. Andrews Branch of the Bank of Nova Scotia, and has many friends in town, has received an appointment as instructor at the Canadian Flying Corps Headquarters in Toronto. Mr. Sherren joined the 26th Battalion as a lieutenant and saw active service in France, being wounded in the knee. After convalescence he joined the Flying Corps and achieved great success in that branch of the service. In one day he brought down five enemy aeroplanes, and for bravery was awarded the Military Medal.

Miss Price, who last summer had charge of the gardens at "Tillitiedum," Mr. Edward Maxwell's property on the Bar Road, arrived last week to take up the work of the present season.

Mr. and Mrs. Farrell, of Montreal, were in town on Saturday last, having travelled from St. John by automobile. They inspected Lady Tilley's residence, which they and their family will occupy this summer.

Mr. and Mrs. C. S. Everett left on Tuesday for an extended trip in United States and Montreal.

Miss Dorothy McGuire, of Lynn, Mass., arrived in St. Andrews on Monday.

Mr. Noble Carey, of Havelock, N. B., was the guest of Mrs. Robina Denley the first part of the week.

The Red Cross Society has much pleasure in acknowledging three generous gifts, \$10 in money from Mrs. Matthews; \$10 worth of best quality wool from Mr. Edwin Odell; and two pairs of socks from Miss Linnie Cathcart.

De Vere Jack, third son of Mrs. Melville Jack, has been wounded in a recent battle in France. We are glad to be able to record that the official telegram says the wound is a slight one, in the side.

Mrs. Jack's five sons, one has already given his life for his country, three have been wounded, and the fifth is in the trenches at present.

Mr. John MacFarlane is now occupying the Stevenson house on the St. John Road.

Miss Kathleen Cockburn is expected to arrive to-day, Saturday, from Boston. During an absence of over a year she has been in Minneapolis doing settlement work.

Miss Elsie McQuoid is visiting Mr. and Mrs. Hazen T. McQuoid, at Benton.

Mr. and Mrs. Wm. Stinson and children, of Fredericton, are the guests of Mr. and Mrs. W. J. McQuoid.

Miss Helen Mowat recently purchased an automobile.

Mrs. Eber Stinson arrived last Friday to open up her residence on Edward Street.

Dr. Bunker was in town on Wednesday on professional business.

Miss Isabella Stoop, who has spent the winter in Marysville, has returned to her home in town.

Mr. G. B. Finigan was in St. John during the week.

Local and General

No services will be held in the Baptist Church to-morrow, owing to the continued illness of the minister, Rev. M. Angus, who hopes to be able to conduct the services the following Sunday.

Owing to the absence of the Pastor, there will be no services in Greenock Church next Sunday, May 20. Sunday School as usual at 2.30.

A programme appropriate for the celebration of Empire Day will be given by the pupils in the Assembly Hall of Prince Arthur School, May 23, at 2 P. M. A silver collection will be taken, and a candy sale will be conducted. The proceeds will be used for the improvement of the school grounds. The public is cordially invited to be present and make the day a success.

The Sale of Food and Work which the ladies of the Baptist Church held in Irwin's Cafe on the afternoon of Saturday last was entirely successful. The cafe was prettily decorated in Red, White and Blue and the wares were attractively displayed. The food, however, did not remain displayed for any length of time. The total receipts were \$26, and will go towards the Baptist Parsonage Building Fund.

Mrs. James Monahan, of Elmville, was in St. Andrews last week with her eldest son, Hugh L. Monahan, a lad who has just reached his eighteenth year and has straightway enlisted. He expects to go to Ottawa next week to train as a Signaller. His great regret hitherto has been that he had not attained the proper age for enlistment, but time has put this matter right, and his ambition is at length realized. There must still be some available young men in Charlotte County who would do well to follow the example of Hugh L. Monahan.

The Waste Paper, which was collected by the Women's Canadian Club during the winter, was loaded on a freight car on Monday and Tuesday. The car was one of the largest, a forty-ton one, and three quarters of it were filled by the waste paper. The carting and loading was entirely volunteered by some of the men and boys, to whom the Club tenders its most sincere thanks. Their task was by no means light and easy one. Though paper will not be collected during the summer months, the collection will be resumed in the autumn when the paper from the summer residences and from the Algonquin Hotel will be available. It is earnestly desired that every householder will save all waste paper until further notice.

The Juniors of All Saints W. A., under the excellent management of Mrs. Anderson, entertained a large gathering in the Sunday School room on Thursday evening, May 13, for the purpose of a social, cheerful, and the evenings programme was most enjoyable. The competitions which headed the programme, were—pinning the donkey's tail, winner, Miss Ethel Richardson; bean guessing, Mrs. Robert Shaw; determining the weight of a cake, four winners, Misses Kathleen and Julia O'Neill, Mrs. Percy Hanson, and Miss Marjorie Hanson; the cake was divided, each of the two families representing receiving one half. An animal drawing and guessing competition, winners Marjorie Hanson, Langford McDowell. The Juniors afterwards gave a most appropriate performance which was well carried out, and consisted of two patriotic songs, a recitation of the allied nations, and a (we are sorry to say) fictitious representation of a meeting of the (Red Cross Society) in St. Andrews. The usual list of "refreshments" was not an unimportant one. A small charge was made for admission and for some of the contests, and over \$12 was raised. This money will be given to the Y. W. P. A. funds. Besides spending a very pleasant evening the audience accomplished much in the way of knitting.

DAWE-SHAW

A simple and pretty wedding occurred last night in St. Mark's Church, Kitisano, when Greta Pringle, fourth daughter of Mr. and Mrs. Walter Shaw, 1830 Stephens Street, became the wife of Malcolm James Dawe, son of Capt. and Mrs. Wm. Dawe. The ceremony was performed by Rev. A. H. Sovereign, while the church choir, of which the bride was a member, sang softly, "O Perfect Love," and "The Voice that Breathed O'er Eden." Mr. Hutt presided at the organ.

The bride, who was given away by her father, Hugh L. Monahan, a lad who has just reached his eighteenth year and has straightway enlisted. She carried a shower bouquet of pink and white roses and white carnations. Immediately after the service, Mr. and Mrs. Dawe left for the city, where they will sail to San Francisco. After a honeymoon in the South they will return to the city. Mr. Dawe expects to leave shortly after his return for overseas with the artillery.

The results obtained at the Experimental Farm at Nappan in feeding good stockers, heavy fed veal good stockers, light fed, were as follows:

Eight steers were selected, in such condition that they could be classed as good stockers. These were deboned and fed a preparatory ration for a few weeks previous to starting the test, in order to get them accustomed to their feed and surroundings, then divided into two lots of four each. The four heavy fed, or Lot 1, were given 50 per cent. more roots and meal than were the four light fed, or Lot 2. Number of days in test 93; total weight at the beginning for Lot 1, heavy fed, 4573 pounds; at finish, 5295 pounds, an increase of 722 pounds. For Lot 2, light fed, at beginning 4206 pounds; at finish 4880 pounds, an increase of 674 pounds.

The total cost of feed for Lot 1 for 33 days was \$99.16; for Lot 2, \$75.29. Mr. and Mrs. Walter Shaw, 1830 Stephens Street, became the wife of Malcolm James Dawe, son of Capt. and Mrs. Wm. Dawe. Halifax, N.S., Jan. 15, 1916.

About eight months ago I read in the Halifax paper of a free trial of Gin Pills. I had been a martyr for my husband, two sons, Harold and Hartley; a daughter-in-law, two brothers and one sister; all of whom were present with her at the last. The funeral services were held in the church on Friday afternoon, May 11, conducted by Rev. Mr. Watson. There was a very large attendance. PATRIOTIC ENTERTAINMENT

In aid of the Belgian Relief Fund, an entertainment will be given in the Andrae Hall on the evening of May 24th commencing at 8 o'clock and consisting of pictures, masquerade and dance and a basket auction. The price of admission is 25 cents. There will be orchestral music. Each lady is asked to bring a luncheon basket for two for auction. Of the Fund in the interests of which this entertainment is being held, very little need be said. Belgium has been loyal to her Allies, helping them by the land, and trusting them to care for her starving people. Can we betray that trust? Have we given enough? For more than a year no appeal has been made for this cause in St. Andrews. Let us all make a ready response at the present time. The date fixed for the entertainment is a patriotic holiday and it cannot be more fittingly celebrated than by attending a thoroughly patriotic function which should also prove a most enjoyable one.
