This dye may be applied to the hair over night, the first night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble, keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin, will not color it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no coloring in this statement, as one can easily test.
