LET THOSE WHO SUPPER TRY IT

LET THOSE WHO SUPPER TRY 1T?

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is factor than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the crucip pangs of pann in eccounds, minutes, or even hours. They require the patient to use dose after dose before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken; or the first external application commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mention-d Diseases in one-tenth the time it takes any other Remedy

That Radway's Ready Relief will cure either of the above-mention-d Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

Taking Colld.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loius, by too much stooping or bending, or these or any other part of the body: these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been than acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been pre viously wearied and relaxed. Here, then, we have an accumulation of blood, a congestiou, which gives rise to all the pain and stiffices attendant spon such consipaint. When this takes place in the binot, we have when is called Sore Throat; when in the loius, Lambago or Sliff Back; when in the cheat, Plearies. We also have in in the shoulder-biacle, side, and other parts.

RADWAY'S READY RELLEF,

RADWAY'S READY RELIEF,

Talcen Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pair; its accordary action is to excite perspiration, and redden the parts over which it is applied almost to a glow, thereby determining the blood from the nutured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flamiel, and it will be found in every case to give immediate and permanent relief. N.B.—If convenient, a piece of flamiel saturated with the RELIEF, and tied or pinned around the parts, does good service.

the parts with a piece of flamiel, and it will be found in every case to give immediate and permanent relief.

A. BAD COUGH CURED IN TEN MINUTES,

Mr. Rigdon, of Brooklyn, the celebrated Charch Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. Mr, without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-apoouful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flamnel with the Relief, and land it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect esse a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the longs, and gave free action to them, produced a free and copious perspiration of the throat and clest; and in ten minutes he was eatirely free from pain, and sunk tinc a sound and pleasant sleep. In the morning he was free from hourseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, inducenz, or hoarseness, pursue the same pian, and we will warrant them a speedy cure.

LAMENESS.

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a bruken bone. Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to shot upon his crutch, has been relieved of his painful afflictions, and enabled to atand ere-t, as God designed that Man should stand, by a few times using the Relief.

Who has been bed-ridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the Relief limbs by a few applications o
