PIANOS! PIANOS!

M. E. C. SAFFERY, professor of Music, offers his services professionally, in the purchase and selection of new and second-hand Instruments. There is so great a difference even in New Pianos, in point of tone and touch, that parties would be consulting their own interest in availing themselves of his professional experience remembering, that without due discrimination and judgment, you often pay more for a worthless instrument than a superior one would amount to, verifying the old adage, "That you have paid too dear for your whistle;" therefore the fee of \$4.00 is absolutely money saved.

Uncle John's Vegetable

PILLS. INDIGESTION, COSTIVENESS, Billiousness, Dimness of Sight, JAUNDICE, FLATULENCY.

THESE PILLS are purely a vegetable com-

position carefully selected by medical skill and experience. Although mild in their operation, yet they will be found to be a most efficacious remedy for Indigestion, whether arising from indolence, sedentary occupation, or long continued residence in a confined or unwholesome atmosphere. Also for those innumerable diseases consequent on repeated indulgence in voluptuous living, excessive use of malt and spirituous liquors, likewise inattention and total neglect of the occasional required dose of medicine; to persons afflicted from any of these causes, the Pills are a speedy and certain cure. The action of these Pills will also not only mitigate, but completely correct, that unpleasant and feverish taste of the stomach, producing frequent eructations of sour, nauseating air, spasms, heartburn, &c.,—subduing inflammation, correcting the morbid secretion of a too active or torpid state of the liver,—they remove every unhealthy accumulation till the blood is purified, the whole system renovated, and all the functions act according to nature.
