TO THE EDITOR:

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lue s to throw off the phlegm or mucus; changes the secretions and purifies the blood; he is the irritated parts; gives strength to the dig stive organs; brings the liver to its precedent system. Such is the immediate and satisfact ry

action, and imparts strength to the whole system. Such is the immediate and satisfact ry effect that it is warranted to break up the most distressing cou; h effect that it is warranted to break up the most distressing couthin a few hours' time, if not of too long standing. It contains no opium in the firm and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such a Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs. Allen's Lung Balsam is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.
