

HER DEATH WAS HOURLY EXPECTED

Enterprise, Ont., Oct. 1st, 1908. "For seven years I suffered with what physicians called a "Water Tumor." I could neither sit, stand, nor lie down. Hypodermics of morphia had to be given me to ease the pain.

MRS. JAMES FENWICK

My cure seemed hopeless, and my friends hourly expected my death. I was so bad that I wanted to die, and it was during one of these very bad spells that a family friend brought a box of "Fruit-a-tives" to the house. After much persuasion I commenced to take them, but I was so bad that it was only when I had taken nearly two boxes that I commenced to experience relief. I kept up the treatment, however, and after taking five boxes I was cured, and when I appeared on the street my friends said, "The dead has come to life," and this seemed literally true, because I certainly was at death's door. (Signed) MRS. JAMES FENWICK. "Fruit-a-tives" are sold by all dealers at 50c a box—6 for \$2.50, or trial box 25c, or sent post-paid on receipt of price by Fruit-a-tives Limited, Ottawa.
