number of those who enter the inner rooms are fortunate enough to come face to face with Pius X. The way is narrow, and to weather it, one needs a long, strong pull. But it is worth much trouble to see Pope Pius and the long hours of waiting are certainly not spent in vain.

Pope Pius is much freer in grant ing audiences than Leo XIII, was; it is said because he is a younger man, and in better health, so that he can stand the strain. Each afternoon in the week, when he walks for a short time in the magnificent Vatican For an instant he stood in the doorgardens, he sees a few people who are way looking down at the people Rome.

To get into the Vatican after 3 tating we were given the opportuno'clock one has to give a little yellow ity of taking a good look at the ticket, signed by the major domo of new head of the Roman Catholio the Pope's household, and these Church. His pictures, which have tickets are much coveted, as they are been sent all over the world, do not the open sesame to the great bronze do him justice. Small of stature, doors which are then closed to the he gives one the impression of being public. One,s troubles are over younger than he is. His snowy when that ticket is safely tucked away hair was partly hidden by the white in Lis pocket. After we had been cap, and his well-built figure congiven the necessary ticket we were cealed by the long robes. But his asked if we were willing to conform | face is wonderful. The features are with the required ceremonials if we regular and the mouth firm, but it is saw the Pope. This meant that we the eyes that make the face one long must kneel down and kiss the great to be remembered. They are soft ring of St. Peter which the Pope with a wealth of benevolence and wears on the fourth finger of his right humor, and most expressive of the hand. It also meant that men must man's thoughts,
