The Evening Telegram.

IF It is only because they are so interesting—apart from the practical opportunities they offer—the small advertisements in the People's Paper, the EVENING TELEGRAM, are well worth studying.

The Demand of the World To-Day
IS
The Demand for Full Measure.
We All Want the Most Possible for Our Work
and We All Want the Most Possible for Our Money.
If this Demand could be arranged in every Department of Business as well as it has been arranged in the Newfoundland Confectionery Trade, we would not have the Labour Market of the World disturbed by strikes and lock outs.
It is a Well Assured Fact that
Lipton's Confectionery

provides the Fullest Measure of satisfaction to the Newfoundland Consumer and also to the Retailer.
The Consumer gets the Highest Quality at prices at which nothing but brands of very much inferior quality are being sold.
The Retailer gets a Fair Profit, on goods which he can sell both largely and quickly, and on account of the way in which Lipton's Packets of Confectionery are put up, he need have no fear of loss or deterioration.
Both the Retailer and the Consumer are satisfied.—They are getting Full Measure.
Xmas and the Festive Season are drawing near again.
Mr. Consumer,—If you wish to have a Merry Xmas buy Lipton's Confectionery.
Mr. Retailer,—If you wish to have a Bright, Busy and Happy Xmas—see that you have a good stock of Lipton's Confectionery for the Holiday Trade.
Do It Now! Fresh Stock Just Received.
