Varicose Veins and Itching Piles

Usually Arise From Same Cause— Relief and Cure Effected by Dr. Chase's Ointment. Chase's Ointment.

Nearly everybody knows of Dr. Chase's Ointment as the most effective treatment for piles or hemorrhoids that medical science has been able to compound. So much suffering and misery arises from this allment that one is not long in telling his friends when he has found an actual cure. This accounts for the enormous sales of Dr. Chase's Ointment.

This letter tells of relief from the suffering of varicose veins by the use of Dr. Chase's Ointment.

Mrs. R. J. Evans, 187 Munro street, Toronto, writes: "We have used Dr. Chase's Ointment for years. I have been troubled with varicose veins, and find it the only thing that gives relief. For every purpose when a soothing, healing ointment is needed there is nothing so good as Dr. Chase's Ointment." 60 cents a box all dealers, or Edmanson, Batei & Co., Limited, Toronto.

Paily Investment New

Fresh from the printer thousands of copies of our October "Investment Offerings" are now being mailed to all points of the Maritime Provinces and Newfoundland-bringing to the doors of every investor his choice of the most attractive of to-day's investment opportunities.

The lowered prices listed in this October issue still reflect the effects of the money stringency. An investment can therefore now be made on a more profitable basis than for some years past.

Besides, as there are marked evidences pointing to an early return of normal financial conditions, the present favorable pricelevel is not likely to long continue.

To insure your having a copy of October "Investment Offerings" we advise that you ask for one with-

Invention for the Fishermen.

We can justly claim to have been the pioneers in introducing Motor Engines for fishing boats in Newfoundland, with the result that today, they are an absolute necessity the fishermen.

Every fisherman knows the benefit t would be to have an engine in his boat, but he also knows, by the experience of others, that on account of the present high price of Gasolene. it takes nearly all the profit of an

time, and have investigated all the best known Kerosene Engines en the market, but none of them came up to our requirements until the Mianus Motor Co. invented the

MIANUS KEROSENE ENGINE." 3 to 40 H. P.

We immedately accepted the Agency for the "Mianus" convinced by our past experience of Marine Engines that it possessed all the good qualities so long sought for in a Fisherman's Engine.

The cost of operating a Mianus Kerosene Engine is CONSIDERABLY LESS THAN HALF THE COST OF OPERATING A GASOLENE ENGINE OF EQUAL POWER, AND IS MORE EFFICIENT.

Kerosene can be obtained at every Harbour in Newfoundland and Labrador. Gasolene cannot.

The Mianus is a working man's engine and is so substantially constructed, that there is nothing to wear nt for years.

It is powerful, reliable and simple o operate

As proof of its great power, a 3 H. P. MIANUS turns a 15 inch 3 P. turns a 22 inch 3 blade; and 10 H P. a 24 inch 3 blade, etc.
