WEDNESDAY, September 1, 1915.

Lt. Col. Franklin.

We congratulate Lieut. Colonel Franklin on his rapid advance since he left here last October. It will be remembered that he left here with the rank of Captain in the Newfoundland Regiment of which he had been Camp Commandant while the contingent was at Pleasantville. Shortly after his arrival on the other side he was promoted to the rank of Major in the field work. He was gazetted as Major in the 19th Battalion of the King's Royal Rifle Corps, and was promoted to the rank of Lieutenant Colonel in the 19th Battalion of the King's Royal Rifle Corps, a crack regiment to which Capt. Moore, formerly A.D.C. to the Governor, was attached. The rise of Lieut. Colonel Franklin since he left here has been rapid, and is a tribute to the keenness and ability with which he has pursued his military duties. It is an inspiration to every one who has joined the Newfoundland Regiment, and particularly to the C.L.B., as it shows the value of the military grounding. Lieut. Colonel Franklin obtained an officer's commission which has enabled him to build upon it the grand success he has already obtained and which gives hope of further advancement, with advantage to himself and his country.

Presentation to Clerical Student.

A very pleasing event took place last night at the residence of Mr. and Mrs. James Kennedy, Hutchings Street, in the occasion of the presentation of a gold watch by friends to their son Michael, who leaves here on Saturday week en route to St. Augustine's Seminary, Toronto, to study for the Priesthood. An address was read by Mr. James Jackman while Mr. James Darcy made the presentation. The recipient made a fitting reply, thanking the donors for their gift, which he would always cherish, though he regarded more highly the good motive that prompted the donors. Other speeches followed, after which the gathering was entertained by Mr. and Mrs. Kennedy and a pleasant evening terminated all too quickly. Amongst those present were Messrs. McGrath, Fortune and P. Kennedy who will leave here in company with Mr. Kennedy to study for the Church.

This morning we received from His Excellency the Governor a copy of the following letters sent on the eve of the departure of the Newfoundland Regiment for foreign service.

Royal Pavilion, Aldershot Camp.
Lieut. Colonel R. de H. Burton, Commanding, The Newfoundland Regiment.
"Before the Regiment leaves for Active Service to-night, I wish to send my heartfelt good wishes to you and to all ranks. I have had excellent accounts of the work done by the Regiment since its arrival in England and from my personal observation of the Guard of Honour furnished by it on my arrival at Aldershot, I have little doubt that the Regiment will give a good account of itself in the face of the enemy. Goodbye and Godspeed!"

Your obedient servant,

Furness Co's New Office Quarters.

The Furness Withy Company have moved into their new building situated at the East end of Water Street and adjacent to their large waterfront premises. It is exactly where the old Terra Nova Foundry and Boiler Works stood. The new building, which has a splendid suite of elaborately furnished offices, has a front and rear entrance, is a great addition to the owners for the transaction of their extensive business and a convenience to the business community generally.

Lachute, Que., 26th Sept., 1908.
Messrs. Minard's Liniment Co., Limited, Gentlemen.—Ever since coming home from the Boer War I have been bothered with running fever sores on my legs. I tried many salves and liniments; also doctored continuously for the blood, but got no permanent relief, till last winter when my mother got me to try MINARD'S LINIMENT. The effect of which was almost magical. Two bottles completely cured me and I have worked every working day since.
Yours gratefully,
JOHN WALSH.

8 Year Old Boy Missing.

Last evening Mr. Jonas Barter reported at the police station that his 8 year old son was missing. He left his home on Mundy Pond Road at 8 p.m., was last seen passing along Le-Mercant Road about 8 p.m., and his whereabouts since then are unknown. Search parties, including the night watch of the police, scoured the city and several suburban places all last night but found no trace of the boy Barter. The search is being continued to-day. Up to 9 a.m. he was still missing.

Here and There.

Congratulations to Mr. and Mrs. Frank Steer, who yesterday celebrated the 30th anniversary of their wedding.

TO-DAY'S BASEBALL.—Much interest is evinced in this afternoon's clash between the Red Lions and Wanderers. The former are considered the favorites because they slaughtered the Cubs who, a week previous, put the Wanderers on their knees. But Wanderer supporters do not give credence to this and are confident that their team can send the Lions off the diamond with their tails clipped. A feature of the game will be that the batteries for the city will be in evidence—King and Ford for the Wanderers and Cooney and Hiltz for the Red Lions. The contest begins at 3.30.

INDUSTRIAL FAIR.—The proposed Industrial Fair to be held by the Mechanics' Society in November, promises to be the best of its kind ever held here. Preparations are in a well advanced state.
