

Late Canadian Papers

inform us that the British Government have arranged to purchase the entire exportable surplus of Canada's Cheese production for the present year. The effect of this arrangement may not mean higher prices but it will possibly mean SCARCITY of supplies for this market.

We have a good deal of CHEESE

on hand and would advise our customers to safeguard themselves against shortage by anticipating their wants and laying in stocks whilst this valuable Food product is procurable at present reasonable prices.

F. McNAMARA,
QUEEN STREET.

WATER PROOF FOUR CYCLE ENGINES

Here is what you have been looking for, a special Four Cycle Engine, specially fitted with a waterproof ignition system, at a price to meet all competitions.

- 1 CYLINDER 2 HORSE POWER... \$ 70.00
- 2 CYLINDER 4 HORSE POWER... 130.00
- 2 CYLINDER 8 HORSE POWER... 190.00
- 3 CYLINDER 6 HORSE POWER... 175.00
- 3 CYLINDER 12 HORSE POWER... 240.00
- 4 CYLINDER 16 HORSE POWER... 295.00

Everyone knows that a Four Cycle Engine will produce the same power on much less fuel than any two Cycle Engine made; it will also be much cleaner.

The only objection to Four Cycle Engines has been the difficulty of keeping the ignition dry in wet weather; this objection is overcome in our "WATERPROOF" Engines. A big advantage in having two or more cylinders is to reduce vibration and give steady power; a smooth running Engine will last much longer than any other.

Write or wire if interested.

DON'T BE A PACIFIST!

Be a red blooded Britisher.

Pacifism and non-resistance cost Russia 75,000 square miles of territory, 55,000,000 people and a \$2,000,000,000 indemnity, and although peace is signed Germany is still plundering Russia.
