WE ARE EXPERIENCING

Hard Times, and it behoves us all to be as economical as we can. For many this will mean making the most of the wearing apparel we have. Many a last season's coat or costume will have to do duty another Spring.

The question is, how can we make it presentable? Cleaning and Pressing will do much, but if the buttons are shabby new buttons will work wonders. The addition of trimming buttons to a costume or coat adds a brightness which is refreshing. We have 973 varieties of Buttons in stock, so arranged that they can be easily shown, so it is pretty certain anyone can get just what they require in this line from
