The Star Movie Co. Testimonial.

Jan. 21st.

Mr. Walter White, Commission Agent, City.

Dear Sir,—In answer to your enquiry re your Victor Safe, would say that at the time of our recent fire we had in our office, which was situated at the top of the theatre, a small Victor Safe. The theatre was completely burned to the ground. Two days after the fire we discovered this safe in the ruins. We there opened it and found the contents, consisting of papers and coins, as we placed them previous to the conflagration. Yours truly,

STAR MOVIE CO.
J. K. Condon, Manager.
E. B. Jackman, Secy.

DO YOU REALIZE WHAT YOUR RECORDS MEAN TO YOU?

Have you ever read that part of your fire insurance policy which says: "The insured shall produce for examination all books of account, bills, invoices and other vouchers, or certified copies thereof, if the original be lost?"

Could you produce this vital proof of loss sustained on the day after the fire?

You will remember the night the Star of the Sea Hall was destroyed, and the above testimonial shows how well the Victor Safe stood the test. Let us provide you with protection that is accessible and efficient.
