NFLD. POULTRY ASSOCIATION.

The Annual Meeting of the Newdundland Poultry Association was held in the Board of Trade Rooms on Monday night. President George R. Williams occupied the chair and there was a large attendance of members. The show committee report was presented by Mr. W. D. McCafter, Secretary, and was adopted. As usual, the expenses of the Exhibition were more than the receipts, but the Association feels that it was well worth while, giving a practical demonstration of what can be done in this country in the matter of poultry raising. The Association hopes to see, in 1924, a combined live stock, vegetable and poultry show under the Auspices of the Board of Agriculture or the Agricultural Society.

The reports of the President and freasurer were duly presented and also adopted. During the year, fifteen new members joined.

Address

TO MISS K. LEONARD, R. C. TEACH ER, MARYSTOWN.

Dear Miss Leonard. It is with feelings of real sorrow that we (the school children of Marystown) have learned, that acting on the advice of your physican, you have decided on giving up your position as Mistress of the High School of Marystown. This we know is indeed regrettable, especially as we learn that your health has given out under the strain of doing what you considered your duty. You have, as it were, fallen against great odds in a struggle which appears to be thankless. This, however, is not the case, as we really appreciate your endeavors in our behalf, and we beg to assure you that in years to come the many lessons you have taught us will bear fruit. We trust that God will soon restore to you your full health and strength, and in this end we intend to storm heaven with one prayer for you. In wishing you good-bye we ask you to accept this tiny gift which, though small, is indeed an offering of our hearts.

Signed on behalf of the pupils of Marystown Superior School.

My Dear Pupils .-Words fail to express my gratitude to you this evening for the splendid address and the purse of gold with which you have presented me. For six years I have labored amongst youand I now feel happy to know that you have appreciated my work. You have been obedient and industrious children while under my care, and it was through your good qualities and co-operation that my work was only a pleasure to me. I feel very sorry in having to leave you, and wherever I go I shall always remember you. The hours which I spent amongst you will be looked upon by me as the happiest hours of my life, and fond memories of my dear old school at Marystown will often linger with me. In wishing you good-bye, I ask you to remember me in your good prayers

Your devoted teacher.

- K. LEONARD. Jan. 17th 1924.
