Missionary Anniversary

WITH METHODIST CHURCHES.

missionary day, it was also the cele- State or Church, and there is a good Missions in Newfoundland, as what is said itself. well as throughout the neighboring

Gower Street Church has long been a centre of missionary effort, and yesterday was a worthy celebration of the earnest men who labored, and with such sincerity of purpose, that it passed on to their reward. For the celebration itself, careful preparation heart present. It was not a mere was made by the committee in charge. under the direction of the pastor, Rev. work, but it was directly an evange-Hammond Johnson; and the arrangements were successfully carried out. On such occasions it is customary to and Missionaries. Every sentence invite a special preacher, and in the told upon the people, and all felt the present instance the choice fell upon better for what they had heard. In the Rev. Oliver Jackson, the esteemed pastor at Freshwater Methodist Church, Bay de Verde district.

Mr. Jackson brought splendid messages, all of which were supported by the earnest devotions of the people, and by the hearty singing of the congregation, and especially so by the rendition of several anthems by the choir One of the strong features of the Methodist Church has been its soul-stirring singing, and yesterday's wice His comparisons of Church or-Centennial was a reminder of the great influence which such singing has had during the last century. Every feature of yesterday's celebration was helnful, but we take the liberty of congratulating the organist and choir upon their part in the good work. We are so accustomed to taking the work of the organist and choir for granted. that we sometimes fail in our expres-

ed by the Rev. Dr. Darby, and the evening service was in charge of the Hon. C. P. Ayre, who was assisted by financial statement. The chairman's is, it was not narrow. It rose above address covered much ground, and

was a splendid preface to the address of the gathering Of course, the prin cipal efforts of the day centered in the speaker, therefore to this feature of the celebration we must devote the A high day was yesterday at Gower the judgment and ability of the speak-St. Church, for in addition to it being er, whether he deal with matters of bration of the Centennial of Metho- deal in how a thing is said, as well as

Mr. Jackson measured right up to Dominion. Such an occasion is rare the occasion, and at both services he as well as important; hence it was held the closest attention of all presthat the services were of a high order, ent. His morning discourse was an and must certainly result in lasting ideal missionary sermon, and though sions, and was prepared and delivered could not fail in going home to every statement or review of missionary lical and spiritual interpretation of the purpose and methods of Missions addressed the Adult Bible Class, and

> The night service was, as might be expected, the chief service of the day, because as a rule, more people turn out at the evening time, Mr Jackson's address at night occupied the space of forty minutes, and was inating, and his statements in refer- showed that if the best is to be acence to national and international, and social life, as viewed from Christimpartial person could accept; for sionaries of all ages have upheld. the underlying principle of his words, and the spiritual aspect which he port to convey anything but the Mews, C.M.G., the latter being intro sectarianism. It appealed to the whole

Repairing

Railway Track

S.S. Sachem arrived in port at 6 a.m., from Halifax, bringing the following passengers:—

From Boston—Alfred LaPoint, F. W. McKay, Joseph H. Petite, Lucien Seguin, Thomas S. Walsh.

From Halifax—George Short, Mrs. www. M. Gibson & Infant, Mrs. A. M. Powys.

The cities of Sodom and Gomarha are given as examples to the wicked. Those cities suffered the vengeance of eternal fire, (Jude 7, 2. Pet. 2:6), but the tremendous outlet of water which escaped from Rocky Pond Dam. S.m. 18 lengths of railway track, near the trestle below the Power House were washed away, and the roadbed on either side torn up to a depth of five feet. It is hoped to have the damages repaired by this afternoon.

ACKNOWLEDGMENT — J.

S.S. Sachem arrived in port at 6 a.m., from Halifax, bringing the following passengers:—

From Boston—Alfred LaPoint, F. W. McKay, Joseph H. Petite, Lucien Seguin, Thomas S. Walsh.

Those cities suffered the vengeance of eternal fire, (Jude 7, 2. Pet. 2:6), but those cities are not still burning.

"God is a just God, and while H has declared that "the wicked sha' not go unpunished," that punishmen will be just. A God of love could no officers repairs made to the ship, gave every satisfaction, a fact of which our local workmen may well feel proud.
