EXHAUSTED VITALITY. — The *HERNAND'S* of LIFE, or SELF-RESTORATION, a Medical Treatise on the Exhaustion of the Vitality, and its various Declines in Man, Nervous and Spinal Debility, Hypochondria, Impotence, Spermatocystitis, and other Weaknesses, and all other diseases arising from the exhaustion of youth or the indiscretions or excesses of mature years. This is indeed a boon to every man. Thousands have been cured by this work the true way to health and happiness. It is the cheapest and the most medical work ever published, and the only one of this class of its worth reading. Sent by mail, post-paid, on receipt of price. Address: *ALBERT'S MEDICAL INSTITUTE*, No. 4, Bittich Street, Boston, Mass., or Dr. W. H. PARKER, Assistant Physician, N.B.—The author may be consulted on the above as well as all diseases requiring skill and experience. Agents: Guelph, Wm. Tawse & Son.

BEECHER remarks that you often see a man with a little bullet head, having a vigorous stomach to drive his body and brain, and a more than the big-headed man who makes a small quantity of blood, and that poor and thin. To enable you to buy to ensure protracted health and a long life, there must be perfect blood. An assimilation of food, and a regular course of medicine to vitiate the blood, are the only means. Dr. Beecher's Compound Syrup of Phosphates and Glycerine, performs a perfect, and furnishes material for blood, and to supply the waste of vital force going on from wear, waste, and disease, and all other ailments.

"Pay as You Go."
 Good Doctrine; first rate; Admirable Philosophy; more good sense and economy in these few words than most people are aware of. If you take a paper, pay as you go—your butcher, baker, tailor, shoemaker, pay as you go. It is a philosopher's stone. We wish it was impressed on some people's hearts with a sledge hammer.
