REMOVAL.

G. B. FRASER

Has removed directly opposite his old
 stand, where he has opened with a brand
 new stock at much lower prices than
 could be bought earlier in the season.

G. B. Fraser is too modest to advertise
 that he is selling much cheaper than
 those who make a great show. Still facts
 are stubborn chiefs, and a discerning
 public pronounce Fraser's to be the cheap
 store to deal in.

G. B. Fraser gives his old friends a
 cordial invitation, and invites all who
 wish to save money to call and see his
 new stock.

It is with great pain, says *The World*,
 that we learn through the *Glasgow News*,
 that "the Rev. Dr. Kennedy, Free
 Church minister, of Dingwall," upon his
 return from this country, has said that
 "his impressions of the United States
 are not very favorable," and that "he
 intends to deliver lectures on his tra-
 vels." Who the Rev. Dr. Kennedy is
 we know not—but that he is a remark-
 able hand at obtaining information is
 evident from his statement that "dur-
 ing his recent tour in the United States,
 he came in contact with three congrega-
 tions of Gaelic-speaking negroes, to
 whom he preached in their own tongue."
 The explanation which the Rev. Dr.
 Kennedy gives of this extraordinary dis-
 covery is even more strange than the
 discovery itself. "He presumes that
 their forefathers had been taken prison-
 ers, and had been enslaved by some
 Scottish Highland settlers, whose lan-
 guage they had adopted." It is sincerely
 regretted that the Rev. Dr.
 Kennedy, while he was about it, did not
 state in what portion of "the United
 States of North America" he found this
 hitherto unknown people.

The management of the Quebec Post-
 office is severely criticised by the press,
 in consequence of numerous blunders
 and irregularities. It is asserted that
 some of the clerks employed can scarcely
 read or write, and some cannot read a
 word in the English language.

The members of Toronto City Council
 visited the Capital on Thursday, inspect-
 ing the fire arrangements, and were shown
 the principal objects of interest in and
 about the city.
