

THE MEMORIAL TABLET AT RIDGEWAY.
—On Wednesday afternoon, 30th Sept., at three o'clock, the tablet—which we fully described several weeks ago—was erected with due ceremonies to the memorials of the Heroes of 1866. There was a large attendance of people from all parts of the Peninsula and Toronto. Members of the Queen's Own and the 13th Regiment were present, while Capt. Beam's Company, 44th Battalion, Hamilton, took part in the ceremonial. An excellent luncheon was provided by the ladies of Ridgeway, after which the procession was formed, and while the Band played the "Dead March" in *Saul*, marched into the Wesleyan Methodist Church. The pastor, Rev. Mr. Campbell, opened the exercises by leading in prayer, when the curtain, which was concealing the tablet, was withdrawn, and the memorial duly unveiled. The tablet having been inaugurated, speeches suitable to the occasion were made by Rev. Messrs. Baxter and Shaw; Mr. W. A. Thomson, M. P.; Lieut-Colonel Otter, Queen's Own; Major Horny and Captain Treble, 44th Batt.; Capt. Nimmo, Wolland Field Battery; Ensign Crockett, 13th Batt.; the Rev. of Bertie, and others. The speakers pronounced high eulogiums upon the deceased, and by stirring words, thrilled many a bosom present with patriotic feelings. The virtues of the deceased were painted in glowing terms, and their noble traits of character were not forgotten. These most interesting proceedings were not concluded until a late hour in the afternoon, when they were brought to a close by the National Anthem, which seemed, on this occasion, to be inspired with more than usual heartiness and loyalty—permeated too, we fancy, by the awe which must entrance one when standing in presence of those who have so nobly died for their Queen and Country.

Special Notices.

CALISAYA, THE BEST VARIETY of Cinchona or Peruvian Bark, first came into general use on account of a remarkable cure performed by it on the Countess del Chinchon, at Lima, who, after her recovery, distributed a large quantity of it to the Jesuits, in whose hands it acquired a great reputation, that remarkable protracting, Cardiac de Logo, having purchased it at a great expense for the benefit of the religious poor at Rome. It is combined with arsenic in the delicious cordial in Dr. Walker's Compound Elixir of Phosphates and Calisaya, a remedy of extraordinary efficacy in restoring constitutional vigor, and repairing the worn out frame, whether used up by mental worry, over-work, excesses and bad habits, or debilitated by prostrating diseases.

THE GREAT ENGLISH REMEDY.

DR. WALKER'S Specific Medicine

Before Taking. After Taking.

Cures all Nervous Diseases, such as Tremors, Pains, Excitability, which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits. But the Specific Medicine is more especially recommended as an unfailing cure for Neuralgias, Spasms, Torches, Migraines, and other diseases, that follow as a sequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dizziness of Vision, and other ailments, and many other diseases that lead to insanity or complete prostration of the system.

It is the result of a discovery, and the result of a long and painful experience in the treatment of these diseases, and will mark a new era in the history of medicine.

SLATE ROOFING PAINT!

AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slat may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slat, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

The Paint is Fire-Proof

against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as far Slated Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS NOR SCALES. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheathing Felt can be made water-tight at a small expense. The Slate Paint is

EXTREMELY CHEAP!

Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is used in this Composition, therefore, it does not effect the water from the roof, if turned off from the easter before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slate when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.
