Regular Monthly Meeting Was Held on Friday Afternoon.

The regular monthly meeting of the club was held Friday afternoon in the

school room After the business was transacted the mothers were treated to a most magnificent address on "Hygiene in the Kindergarten," by Miss Laidlaw. It was clearly shown to those present that the greatest care and precaution should be exercised for the prevention of the spread of children's diseases, and that it was most necessary to have frequent periodical medical inspection in our schools. Better ventilation is necessary in almost every school room. Miss Hendry was instructed to procure some books for the club. club are starting a mothers' library.

The next meeting which will be held the second Friday in June will be the last until September.
