Struck Off the List.

Twenty Dollars a Ton Was Highest
Price Paid Today.

There was a drop in the price of hay on the market today, the highest price that was paid being \$20 per ton. and there was not a great demand even at that price. Several loads sold at as low a price as \$18 a ton. No oats were offered today. One load of straw was sold, but this did not relieve the demand for straw, as it was the first load that has been offered for some. (Continued from Page One.)

this road. The Grand Trunk at Port Dover could handle this and make his line pay. At the present time i is not a very strong paying proposition, but with the London and Lake Erie Coal Company's account, it would e a first-class road.

However, the Lake Erie Company would prefer Fort Stanley, but arhe coal elsewhere, if they were con

Ex-Mayor E. T. Essery, who was mayor when the road came back to the city after the Grand Trunk lease expired in 1893, gave an interesting account to The Advertiser of the cor. ditions in those days.

Back in the Nineties. "The Grand Trunk formerly 13

us \$20,000 a year for the road," "They allowed the har bor at the Port to rot away, and le the roadbed in a very bad condition We asked them to still run the road, but they refused, unless they were a lowed to do so without paying a set for the proposition. We would no stand for that, and went after other companies to lease the line.

"The Grand Trunk came within an ace of costing the city of London a million and a half of money. At that time the harbor at Port Stanley was under the control of the London and IS P. C. CREEN Port Stanley. The piers and breakwater were in such a condition that had the Government made us keep Is Leaving the Force of His Own Free the harbor in repair, it would have cost us an enormous sum. However, the Government, at the solicitation of in regard to the story concerning a large deputation, assumed responsi-P. C. John Creen's resignation from bility for the harbors, and we were not the police force, while it is admitted compelled to pay this expense. I tell

we found out our position In Hands of M. C. R. for nothing, the M. C. R. ran it on a division of profits for some time, they, too, refused to pay a rental for it. Later a Cleveland company, known Creen has proven an efficient officer. as the Miller Syndicate, came along,

"The M. C. R. took charge again temporarily, and later arrangements were made with the Lake Erie and Detroit River Railway. It has been run under that lease ever since."

It's Not Probable. That the Grand Trunk will build a line to parallel a road they refused to pay a cent to lease some years ago, is taken as altogether improbable railwaymen, who are conversant with baseball team. Zabell may be a good no need of an outlet on Lake Erie, or there is an agitation in East London Manager Bowerman, of the London the situation. The Grand Trunk are in with Port Rowan, Port Dover, Windmuch in this line during his sojourn sor, Sarnia, Goderich, and a score of Port Stanley would give them are not part of the city that some action should sufficient for them to expend threequarters of a million dollars or more. "Nothing in it." said a Grand Trunk "We have all the lake ports we want. Port Stanley offers us no advantage that we do not possess. We have lake ports enough at the present time."

THORNDALE.
