John Allen McGugan of Caradoc Is New President.

Special to The Advertiser.

Strathroy, April 13.—West Middlesex Liberals interrupted seedling operations today to gather in Strathroy's Hall this afternoon to create an organization for the next federal election. The Hon. Duncan Marshall, Liberal organizer, was present.

In spite of the fact that this riding was lost in a three-cornered fight the last election to the U.F.O. candidate, there was no downheartedness evident today. Rather was the spirit of the meeting enthusiastic and full of determination to place West Middlesex again in the Liberal ranks.

The meeting was a scene of fine enthusiasm as a resolution was unanimously passed expressing confidence in and admiration for the prime minister, Rt. Hon. Wm. L. Mackenzie King.

To Pick Candidate.

Mrs. M. C. Dawson, editor of Parkhill Gazette, and Mr. Charles McFie of Appleton, delegates to the Liberal convention at Toronto, gave short reports.

No candidate was selected, but arrangements were made to hold a convention to select one on Wednesday, June 3, at Strathroy. Each polling subdivision is to send delegates, who are to be selected at meetings held in each municipality on May 27.

Hon. Duncan Marshall prefaced a rousing address by the remark that no man in public life in Canada had ever raised so much in public esteem in a short time as had Hon. Wm. L. Mackenzie King during the past year.

Mr. Marshall had no word of the date of coming election, other than it would be after the present session of the next. He warned the gathering, however, to get ready, select a strong candidate, and then work so that West Middlesex will again be listed among the Liberal ridings.

THE KICK IN NEW BEER.

This is a three-ounce bottle which has been analyzed by the Ontario prohibition board, and found to contain the amount of raw whiskey which is equivalent in alcoholic strength to one quart of the present King government's beer. The amount of absolute alcohol in one quart of 4.4 beer and in 2½ ounces of 30 U.P. whiskey is practically the same. The picture shows the actual size of the bottle.

the whole political situation, the speaker stated that the Liberal government had made steady gains every year of its existence, and would be returned by a good working majority.

"Fifty-two million-dollar reduction of taxation in this past year is a recommendation that should make every Liberal proud of the King government," said Mr. Marshall. "That is the big accomplishment of the present government. Reduction in taxation was essential in the present situation."

Increase in markets especially for farm products, he said, was the next big line of endeavor for the government. In this, the present government had accomplished much.

Mr. Marshall had no word of the date of coming election, other than it would be after the present session of the next. He warned the gathering, however, to get ready, select a strong candidate, and then work so that West Middlesex will again be listed among the Liberal ridings.

LEAKING MAPLE SYRUP MUST BE ABSORBED

Tins of maple syrup going through the mails should be placed in a special box and wrapped in cotton or some spongy material, which will absorb any leakage, according to an advice received from Ottawa this morning by Postmaster T. C. Duncan.

Considerable quantities of syrup shipped this spring have spilled in transit, with the loss of the syrup and damage to mail matter. The postal department advocates the use of screw-top tins that are water-tight. They should be marked "Fragile, with care," concludes the advice.

PORT STANLEY CHURCH.

There was a largely attended meeting of the A. Y. P. A. of Christ church, Port Stanley, last evening.

The meeting was held in the parish hall for a debate and social time. "Resolved, that character is more influential in the world than money" was the interesting topic taken, and the decision was made in favor of the affirmative side, under

the leadership of Miss Marjorie Hawkins, assisted by Russell Hogg, assisted by Douglas Short.

Russell Grimmond, the vice-president, had charge of the meeting, following the debate and business transactions, light refreshments were served.

It was decided to accept the invitation of Trinity church, St. Thomas, to be with them on Tuesday, April 21, when the annual A. Y. P. A. conference will be held.

The regular meeting of the young people's league of the Askin street Methodist church was held last night.

Miss Jean Forrester contributed a pleasing solo, and during the evening Miss Eunice Beattie read a splendid paper on "The late Right Hon. Marquis Curzon," which had been prepared by Herman Couke.

Clarence Weeks also contributed some humorous readings to the evening's program, which were greatly enjoyed. Later a social time was spent in games by the members of the league.

PILGRIM MISSION BAND.

The children of the Pilgrim mission band of the Chalmers Presbyterian church held their regular meeting yesterday afternoon, when it took the form of a practice for the concert, which has been postponed until the afternoon of Saturday, April 25, owing to the death of Mr. Duncan, the young band's father. Two choruses were practiced, as well as a duet, solos and readings. When the concert is finally given a cordial invitation is extended to the members of the W. M. S. of the church and friends to attend, when a delightful program will be presented by the children, after which dainty refreshments will be served.

LIBERALS TO HOLD NOMINATING RALLY

East Middlesex To Name Candidate at Hyman Hall April 18.

Following out the decision of the recent rally held by the Liberals of East Middlesex, a nominating convention will be held at Hyman hall on Saturday afternoon, April 18, at 2:30 o'clock. It had been intended in the first place to have the various subdivisions elect their delegates to the gathering, but as this work has not been completed it has been decided to hold an open convention of Liberals of East Middlesex and place a candidate in the field for the coming federal election.

It is probable that several names will go before the gathering on Saturday, but at this time it is not possible to say who appears to be the most likely. The name of Reeve Cousins, of Westminster township, is mentioned frequently, and it is known that a number of his friends have been urging him to allow his name to stand for nomination, but Mr. Cousins has so far not given any definite answer.

It is also known that Major Ross, of Lucan, who put up such a spectacular fight on short notice and against big odds in the last campaign, will be brought before the meeting by his friends. Major Ross is at present well occupied with a growing and expanding business in Lucan, and there is some doubt as to his being able to accept a nomination for another contest.

Girl Goes Sixteen Miles To Win Attendance Shield

Ties Hope Mission With Egerton Street Society in Honor.

100 PER CENT EACH

Rev. J. H. Slimon Is Speaker At P.Y.P.U. Rally in Talbot Church.

One girl travelled 16 miles last night to win the attendance shield for Hope mission at the great P. Y. P. U. rally in Talbot Baptist church.

Her presence meant a 100 per cent attendance for the mission, which tied the Egerton street society. These two groups have built up a splendid record. Hope has carried off the shield four times and Egerton two. In each instance the winning society has had 100 per cent attendance.

When the announcement was made that Egerton, with a membership of 34 had 34 present and Hope mission 25 members with 25 present, Rev. W. M. Macdonald, pastor of Maitland street church, breathed the difficulty of the tie, and in the formal presentation wished the one "peace and happiness" and the other "happiness and peace." Fred Johnston represented Egerton and M. Pittaway the mission.

Speaker of Evening.

To stand for the service of the Master was the challenge to his audience from Rev. J. H. Slimon, pastor of the Adelaide street church, and speaker of the evening. He urged on all the need of securing knowledge of God, but asserted that a merely intellectual knowledge would not be satisfactory.

If young people were to become worth-while Christians, he declared, they must have a vital contact with God and through him a wider vision of the needs of the world. The Christian challenge to young people, he said, is one of the greatest forces in maintaining personal purity, and one of the greatest in the life of individual development. He pointed to the need of a greater training for the youth of today to accord a greater service to God and to the world.

Mr. Slimon stressed as one of the finest sources.

Influence for Christ.

The "bushel of business" and the "bed of leisure" of the modern life of would-be workers, he said, and "The greatest glory in life is the urged the Baptist young people not to be guilty of these charges. The glory of influencing lives for Christ," he concluded.

During the evening the gathering stood for a memorial service for the memory of Mrs. John Hall, who died recently at Kensington Park, who died recently at a mission station in Nigeria. At the end, Rev. Young of Kensington Park led in a memorial prayer for one so honored in the church.

E. L. Brown of Talbot street led in a service of 20 minutes, and A. E. Outram, who is acting as pastor of Hope mission, had charge of the devotional service.

To Convene in Toronto.

During the evening, Miss May Daniels gave a Scripture reading, Miss Gray sang a beautiful solo, and in response to the roll call each group sang a rally song. Rev. R. J. Murphy of the church, and R. J. Tucker, Mrs. William McCracken, Mrs. G. Bolton, and Mrs. F. Wilkes.

The representation of the unsuccessful unions for the shield, which Egerton will hold for three months, and Hope mission for three months, was as follows: Talbot street, 56 on the roll, 45 present; Maitland street, 50 on the roll and 45 present; Kensington Park, 41 on the roll and 20 present; Wortley road, 26 on the roll and 20 present; Adelaide street, 66 on the roll and 65 present.

During the evening it was announced that the Baptist convention will be held in Toronto on May 24. J. G. Gibson, president of the union, presided.

Attendance records will be broken at the annual church service of Acadia Lodge, No. 580, A. F. and A. M. G. R. C., to be held next Sunday in St. Luke's church, Broughdale, lodge officials predicted today in discussing the extensive program arranged.

The event will take place at 5 o'clock in the afternoon, and Rev. A. S. H. Cree, the rector, one of the most active Masons in the district, will deliver the chief address. The lodge choir of 24 voices, which has won a notable reputation in the district, will render several selections under the leadership of Bro. Harry T. Dickinson, lodge organizer. The worshipful master, Bro. Edgar Chamberlain, will read the lessons.

Automobiles will be accommodated on the estate of Wor. Bro. Richard Oke, adjacent to the church, and as many non-Masons will be admitted as the seating plan permits.

The divine service is held each year to honor the birthday of the lodge, and in former years it has drawn one of the largest Masonic turnouts of the season.
