Limited  
CAMPBELLTON  
NEW BRUNSWICK

**WOODWORKERS & MANUFACTURERS**

DEALERS IN ALL KINDS  
OF BUILDING MATERIAL

**OUR POLICY**  
"Prompt Service and Class Attention To All Orders"

To this policy strictly adhered to we consider that our business has been largely done, as people dealing with us have always felt sure that they would get exactly what they wanted promptly and at reasonable prices.

Our modern plant and large stock on hand enable us at all times to give our customers the very best service.

We can ship made to order goods within a reasonable time, not so quickly, as stock goods for the reason that it takes time to manufacture special or odd material. However, our up-to-date plant and material organization enable us to do this work in a way to merit your hearty approval.

**WRITE FOR OUR NEW  
48 PAGE CATALOGUE**  
YOU WILL FIND IT FULL OF INFORMATION  
ABOUT BUILDING AND BUILDING MATERIAL.

**If Your Bike  
Needs Repairing**

have it done by us and don't neglect it. There is no fun in having a wheel which you cannot use because something is out of order. We fix everything on a bike from the simplest to the most complicated.

Don't let this year's stomach ache your disposition and make your life miserable while Tuesday is ready to give you relief. Get it now. Sold at Wren's Drug Store.

## NEW BRUNSWICK FARTHEST NORTH

Good Radio Work by LeRoy L. Fenderson, Jacquet River.

There are at present from 600,000 to 1,000,000 radio telephones receiving sets on the continent of North America, according to United States Secretary Hoover. A year ago the radio phones were scarcely past the experimental stage and were understood and operated by only a few persons who were looked upon by the public as dealing in a commodity closely allied to the occult. The spread of the science was remarkable, and, to-day, it is said there must be taken immediate steps for regulation of wave lengths so as to prevent interference with amateur's business messages. If the instruments continue to multiply, as fast in the past two years as in the past year, the air will, unless some regulations are passed, become a weird jangle of sound, according to some experts.

Many instruments have been installed in the city and the surrounding country. So far what is believed to be the "farthest north" phone is operating by J. LeRoy Fenderson, at Jacquet River. Mr. Fenderson has a very delicate receiving set which enables him to pick up messages from a great distance. He has heard messages in code from Europe, musical concerts from Chicago, 1,500 miles distant, trade messages from New York, and a variety of communications from all over the continent. He has received many interesting letters from writers and officials in the United States, thanking him for advice of communications received, which have proved very valuable to the scientists as far as the instrument is concerned. A north has made, reports to them, Armstrong Perry, well known scientific writer and author of radio programs, a personal friend of Mr. Fenderson, writes that he is well known in Washington, and that he has been mentioned by several officials of the Public Health and Naval Service, Mr. Perry, in his radio program, has mentioned that articles have been sent to him, and that he has been asked to write for them.

The United States Public Health Department sends out a regular programme three times a week and Mr. Fenderson, according to officials of the department, the most distant operator from Washington, making reports on these. He received a letter, a short time ago, from C. C. Pierce, assistant surgeon general, thanking him for his reports.

One very pleasant feature of the work is the receiving of musical concerts, in which the best of music, vocal and instrumental, is transmitted into the air to be heard by an invisible audience. The Westinghouse Electric and Manufacturing Company, from their Newark and Springfield plants, send out these concerts frequently, and a variety of other messages. All these are received clearly at Jacquet River and Mr. Fenderson has received several letters from officers of the company, thanking him for the interest shown.

**TO THE PUBLIC.**  
Mr. Numa Bernatchey who won the first prize and diploma at the Chicago World Exposition is now Superintendent of the Campbellton Dairy. The Campbellton Dairy is now ready to supply the Public with its wants, in regards to Pasturized and Homogenized milk.

When milk has been pasteurized it is free of all germs, impurities, and all that may tend to make it figure. This milk is used extensively in all hospitals, hotels, restaurants in the United States and Canada.

When milk has been Homogenized, you will find that there is no cream that will come to the top of the bottle, and this milk will keep fresh for two days.

The Campbellton Dairy will also supply cream and butter.

Physicians recommend pasturized milk as one of the best to be used.

**CAMPBELLTON DAIRY,**  
Bernatchey & Boudreau, Prop.

## GOOD SUMMER IS THE OUTLOOK

Much Building Being Planned and Some Under Way.

The coming summer gives promise of being a good one in Campbellton building circles. The drop in the price of material and labor has induced some who have put off building during the past few years to get to work, and already some have commenced.

The R. C. congregation are commencing a large convent building on their lot on Central street. This will be a large building and give steady work to a large number of men.

The following are planning dwellings: O. J. Kiehl, H. G. Millican, H. R. Smith, Mrs. O'Keefe, Dr. McGlenn, John Goss, H. J. Currie, Richard Smith, D. A. Hargreaves and possibly many more of which the Graphic has not heard.

It is confidently expected that Campbellton will receive another grant from the Housing Board funds. While things will be busy in the building line other lines will also be booming. The Arran street extension, which will go through this year, will provide employment for a large number of laborers.

It is also expected that more ship-ping will be handled here this season. Altogether things look good for a busy summer for Campbellton.

## OBITUARY.

**William Craig.**  
On Thursday, April 6th, 1922, there passed away at his home at Upper Charles, in the County of Westchester, Mr. William Craig at the age of eighty-eight years and thus departed from among the good people of Charles one of its best residents. A man who was ever ready and willing to give a helping hand to anyone in need of trouble and has been a member of long standing in the St. John's Presbyterian Church, Dalhousie, and one of those who had the privilege of his acquaintance. The funeral service was held on Saturday afternoon and was very largely attended and conducted by his pastor, Rev. E. J. Shaw. In their sorrow, heartfelt sympathy is extended by many friends to the bereaved family. He leaves a widow, four sons and two daughters to mourn the loss of a beloved husband and father.

## OBITUARY.

**John McNichol.**  
It was with deep regret that the death of Mr. John McNichol of New Mills, was heard of, which took place on Wednesday, April 5th, at 9:30 a.m. Deceased was in his ninetieth year and leaves to mourn his wife, four sons, Rev. Wm. of Alberta, Dr. John of Vancouver, Dr. Peter of Campbellton and John of New Mills and one daughter, Mrs. Turner of Jacquet River.

Bathurst, April 10—Bathurst mourns one of the best known of its business men, Fred A. Steiner whose death came with startling suddenness early this morning. Mr. Steiner has been feeling poorly for several days and although he was not considered in any serious danger his physician advised his removal to the J. H. Dunn Hospital, where he was taken yesterday. Late last night he took a serious weak turn and gradually sank until his death occurred at 4 o'clock this morning.

## LYRIC QUARTET WELL RECEIVED

Crowded House Hears Pleasing Program By Moncton Artists.

Campbelltonians enjoyed a rare treat Tuesday evening when the Lyric Male Quartet & Co. of Moncton appeared at the Opera House under the auspices of the Ladies' Aid of the Soldiers' Memorial Hospital and rendered a very pleasing program.

The company caught the fancy of the audience from the first number when they were heartily cheered, and every piece was loudly applauded and encored.

The following program was rendered:

- 1.—Selection, The Lyric Male Quartet.
- 2.—Piano Solo, Rachmaninoff's Prelude in C sharp Minor—Major W. A. McKee.
- 3.—Vocal Solo—The Last Watch (Phonix)—Mr. Walker Nault.
- 4.—Scene from Fra Diavolo Opera (The Robber's Dream)—Desire J. Bourque.
- 5.—Reading—Mr. Edgar O'Brien.
- 6.—Selection—The Lyric Male Quartet.
- 7.—Piano Solo, Polonaise in A by Chopin—Major W. A. McKee.
- 8.—Scotch Selections—J. Alonzo Johnson.
- 9.—Vocal Solo, Dana (McGill)—Mr. Walker Nault.
- 10.—Selection—The Lyric Male Quartet.
- 11.—Vocal Solo, "O'er The Balfour Sea"—Desire J. Bourque.
- 12.—Reading—Mr. Edgar O'Brien.
- 13.—Vocal Solo, Nirvana (Adams)—Alonzo Johnson.
- 14.—Selection—The Lyric Male Quartet.

God bless the King.

**IN REMEMBRANCE.**  
I read and being Secretary of the Alonzo Johnson, when God called him to his home April 10th, 1921.

We suffered a great loss in the passing of this day by the death of our friend, Alonzo Johnson. We will miss his day by day, but we will miss him more every day.

Winnie Duncan.

## C. N. R. OFFICIALS ARE WELL PLEASED

Announcement in Reference to Autonomy for I. C. R. Good News.

The policy of the King government in giving the Maritime Provinces local autonomy in the management of the C. N. R. with headquarters at Moncton was received with favor to-day by local officials of the railway. The opinion was expressed that the change would first of all allow of railway business being carried on with greater efficiency, less loss of time and expenditure of money.

Under the present system officials seeking authority on railway matters out of their jurisdiction make application to Moncton; the request is then forwarded to the eastern division headquarters, Montreal, and finally to Toronto, where the matter is considered and a reply sent back over the same route. A short time ago a request by a local concern for about \$20 worth of rails had to be made by the roundabout route and ten days elapsed before a decision that should have been given in short order was able to be given.

Under the present system millions of dollars in railway contracts were being spent in Montreal and Toronto, the Maritime Province manufacturers being frozen out.

Thriving car works at Amherst and Halifax had been forced to shut down for lack of business as cars and equipment were purchased in Upper Canada.

Transportation as a unit are enthusiastic over the proposed change in management.

## THE ICE.

The river is still holding firm, although it is said for teams crossing.

**WEAR-EVER ADVANCING.**  
Wear-Ever's famous primary market, secondary market, strong all-weather, with-stander, wear-ever. Locally there are no changes but as stocks are not large there is a strong possibility for some advances as importers state spot prices are still far below cost of replacement.

The above statement in the "Canadian Grocer" of March 10th is authoritative. Those who understood the tea situation say that unless the price becomes easier on the primary market very soon the consumer may expect to pay 10 or 15 cents more a pound for tea.

## PROFESSIONAL

**H. H. Steeves**

## BIG PRODUCTION IS SLIGHTED

Important Details Overlooked By Heavy Demands On Space.

Owing to the space this advertisement with full particulars regarding the showing here of the big production "The Shell" has been crowded out.

This picture has been one of the most popular of this year's attractions and is worthy of far greater mention than that accorded it in the ad. on page four of this issue.

It will be shown here two days—next Wednesday and Thursday, April 19th and 20th, with special matinees.

There will be one show only each evening starting at 8:15 and the matinees will be at 3 p.m.

Priests will be as follows: Evenings, 21c and 37c; Matinees, 16c and 26c—tax included.

Intending patrons will please note that the matinee on Wednesday is especially for ladies, and children unaccompanied by adults will not be admitted that afternoon. The Thursday matinee will be open to all.

## TENDERS.

Tenders for ice will be received by the undersigned up to noon of Monday the 24th day of April, 1922. Particulars can be obtained from the undersigned.

**B. J. COLLIER, House Comm.**  
Soldiers' Memorial Hosp.  
April 13-2 wks.

## Rev. John A. Sweetman
