POBER.

THE LIFE OF LADIES

BY AN OLD BACHELOR.

The life of "dear beautiful" woman will show

Harmiess as doves till turned of tifteen,

Loving as sparrows'till thirty they've sseu;

Then birds of ill omey and women no more.

Prating like parrots till after three score,

I saw content the other day.

Health also at the table sat.

Dining upon a ham;

But Appetite demanded yet,

Wealth sat enthroned upon a green And fragrant load of hay ; And Happinese compelled a dog Behind his cart to lay. Delight was obesing butterflies

With Laughter and with Joy; Affection gazed with ardent eyes Upon the sweet employ. Beauty was watering fragrant flowers Beside the cottage door ; And Pleasure spoke about a tour

Justice bid good morrow, and

But Joily bid me stay away,

Unless I came with Glee.

Unravelling a skein; While Mirth with roguish eye and air,

Would tangle it egain.

Of pudding bread and meat, And bid Compassion take it o'er

To Want, across the street

Easy, and free, and fair.

Old Satisfaction there.

With Innocence upon his knee,

He took me by the hand, and led

Two ancient oaks between.

That Love the day before

This family to know,

the interior of Asia.

A FARRER's here I'll introduct

A " BUPDRED YEARS AGO."

And tossed him out of door.

Where Fun and Prolick, antice played,

The foping Dress had kicked behind.

(From an American Paper.)

Pleasant Ridge, Nov 22, 1837.

MR. EDITOR, Sin,-I live at a great distance from persons having the majority ot votes; netwithstanding the security which was de-manded by one of the Candidates, I suppose the persons then declared will be our Repreir, I am told there is a great deal of money

COMMUNICATIONS.

at the disposal of the Legislature, so great a sum as one hundred and fifty thousand pounds. I am not a stranger to the indefetigable in-

I am not a stranger to the indefstigable industry, skill, and perseverance, which thus secured to the people of the Province so large an amount of money, and I de not wish to be a stranger to the ways and means of its disposal, but which, I hope may be lor the benefit of the Province.

I could not help pondering an my way heme from town the other day upon the various opinious of those persons I conversed with at St. Andrews touching this impertant subject. Some were for investing the sum in a Bank, and establishing branches therefor in the different parts of the Province, the prefits arising the elrom to go towards paying our Civil List; some were for expending it spoken to on the subject, as well as all my neighbours. A great many persons say that at this meeting we might at the same time expression loyalty and attachment to our most Gracious Queen, and the glorious constitution of our Country and declare the feelings of sorrow and disgust with which we view the proceedings of the French Isction in Lower Canada and proclaim our willingness to march at any time if requirements. The Engines of 45 herselpower each, from the manufactory of Messis, Fawcet, Preston & Co. of Liverpool, are of an improved constitution, and we think we may sately any they are not surpassed it equalled on this side

got up by a still more infamous faction.

I am, dear Bir, Yours &c. A LOYALIST OF - '83.

FOR THE STANDARD MR. EDITOR,

result of their deliberations will then, more and made 35 strokes per minete. than ever influence, either for better or werse, teration is contemplated in the construction the public welfare of the Province, it may of the floats, which by reducing the samed of the engines, it is expected welf increase, which are most deserving attention, and that of the boat. Parliament require information.

the greatest interest is the expenditure of the universally known that it would be needless large surplus said to be at the credit of the for us to offer a word of enlogy. —Chronitle. Province from the settlement of the Civil List. Whether this large surplus exists in reality or only in the brains of these who claim the merit of its discovery, lessens not the cautious concern with which every act should be clothed, in any way connected with its consideration. The "Civil List Chas. Connect.—It is a spiended established." Province from the settlement of the Civil Editor, as might be expected, has brought will be angined a horner's uest about his ears; but the vig how does it more? what are its features? country £14,000 per annum, for 10 years. a hornet's uest about his ears; but the vigour he has already displayed will be suffiour heart he has already displayed will be suffiour heart he has already displayed will be suffiour heart
