day by the railway commission. All is now loading at Pickels & Mills the fatal accidents since May 2nd, on wharf for the Cuban market, and is Canadian railways, are reviewed and commanded by Capt. Mailman. the commission concludes that none of these accidents can properly be attrib-uted to overwork or lack of rest of the railway men. In collisions the extent the collisions the these accidents can properly be attribgreatest loss of life occurred in smok- six-horse power boiler, a four-horse ing and second class cars, which are old and comparatively weak, while there has been a great increase in the weight and strength of the sleepers, first class and baggage cars. The rd is considering whether it should not from time to time request the provincial attorney-generals to promptproceed with the prosecution every, instance in which negligence. sness or failure to observe working rules, or orders, has resulted in the destruction of human life. At present the railways merely dismiss the guilty employees and by the time further punishment is thought of the past casualty has passed out of the minds of the country. This does not tend to insure the safety of the public and increases the risk to train hands. The commission is preparing a set of The commission is preparing a set of standard rules for the guidance of the watch them closely so that they will railway employes. The commission is negotiating with railways regarding certain matters which seem contribu tory to accidents and for which the of the law.

companies are responsible. Farmers' Meetings.

# The N. S. Farmers' Association, un-

der the direction of the provincial overnment, is sending out speakers o hold meetings in the province durng November. As these meetings are ree to all and the speakers are experts, we hope that the farmers and all interested in agriculture will take the opportunity to attend. The meetings will be held at Clementsport on the 26th; Granville Ferry, 28th; Paradise, 29th; Falkland Ridge, ury. 30th. The speakers are Mr. W. S. Fraser, of Bradford, Ont., and Mr. W. H. Woodworth, of Berwick, N. S. Mr. Fraser's subjects are:-"Corn Grow; "Soil Cultivation," "Covers their value and how to handle," "Underdraining," "Management of Sheep,"

"Noxious weeds on our farms," "Fod-der Crops," "The Bacon Hog," "Farm Life," "What Farmers Need," "The Home Dairy." Mr. Woodworth's subjects are:-"Orcharding," "Poultry," "Potato Growing," "Conservation of
